

Officer Says Ruby Planned to Shoot Oswald 3 Times

DALLAS, Tex., March 5 (AP)—A police officer today quoted Jack Ruby as saying within minutes after shooting Lee Harvey Oswald that "I intended to shoot him three times." D. R. Archer testified at the 53-year-old Ruby's trial that the defendant came at Oswald—gun in hand—in the basement of Dallas police headquarters last Nov. 24. Ruby was muttering unintelligible phrases, Archer, questioned by Dist. Atty. Henry M. Wade, said that three to five minutes later, when he (Ruby) was inside the jail he told the defendant, "I think you killed him."

Over 1,000 Guantanamo Cubans Fired

WASHINGTON, March 5 (AP)—More than 1,000 Cuban workers have been fired from the Guantanamo naval base, and the navy has ordered U.S. sailors there to replace them.

The Cuban workers discharged to date total more than half of the 1,800 who came through the gate each day.

The Associated Press learned this today after the United States spurned an offer by Prime Minister Fidel Castro to turn on the water to the base once again.

There was no indication how many more of the daily commuting workers would be discharged. There are 800 Cubans who live on the base permanently and 600 others who have been returning to Cuba only on week-ends.

"Military replacements are being ordered to Guantanamo," the navy said when asked what was being done to fill the manpower gap left by the discharged Cubans.

A spokesman said these replacements are navy men, probably including Seabees.

The other officer alongside Oswald, J. C. Lee, testified Wednesday that Ruby said he intended to shoot Oswald three times.

Graves testified he wrestled Ruby from Oswald's hands after Ruby shot Oswald. He corroborated Lee's testimony that Ruby's hand was contracting, apparently trying to fire more shots after the one that killed Oswald. Graves said he flipped the cylinder of the pistol, preventing it from firing again.

Scheduled to be shown the day after the shooting, Melvin Bell, chief defense counsel for Ruby, says it will be the first time Ruby has seen the film.

Wind Clogs Richfield Roads, Closes School

The rural area north of Richfield was closed to motor travel Thursday after a storm which covered Magic Valley throughout the night with wind and precipitation. Light snow or rain fell in most areas, and at Fairfield, the weather bureau reported the wind-driven snow formed snowballs approximately 12 to 14 inches in diameter in the fields. School was closed for the second consecutive day in Richfield Thursday because roads were impassable.

Wild Weather Kills 11 in South Area

By The Associated Press
Tornadoes and other violent weather killed 11 persons and injured about 40 in six Southern states.

The weather bureau said at least a dozen tornadoes were spawned as warm air from the Gulf of Mexico clashed with a cold front Wednesday.

Tornadoes accompanied many thunderstorms and the 24-hour rainfall in western Kentucky exceeded five inches.

Lightning struck a house at Forrest City, Ark., and started a fire in which seven died. Another Arkansas fatality was attributed to a tornado.

Two were killed in western Kentucky and another perished in Tennessee.

Damage from tornadoes was reported in Louisiana, Mississippi and Missouri, and wind damage to a lesser degree was reported in northwest Georgia.

A woman was killed when a tornado roared down onto the Beech Creek community near Magnolia, Ark. Six others were injured.

Another tornado lashed western Kentucky, killing two and injuring about 20.

Committee Okays Spud Control Bill, Senator Church Promises Floor Fight

WASHINGTON, March 5 (AP)—A potato production control bill was approved by the senate agriculture committee Wednesday but faces a stiff fight on the floor.

Sen. Frank E. Church, Idaho, said his growers strongly oppose mandatory control and that he would fight it as hard as he could. The bill would exempt Florida on grounds its potatoes are a perishable crop competing with production in other states, and Alaska, whose potatoes are sold as seed potatoes, don't affect the U.S. mainland.

The controls, subject to approval by referendum of potato growers, could be applied as early as next Jan. 1.

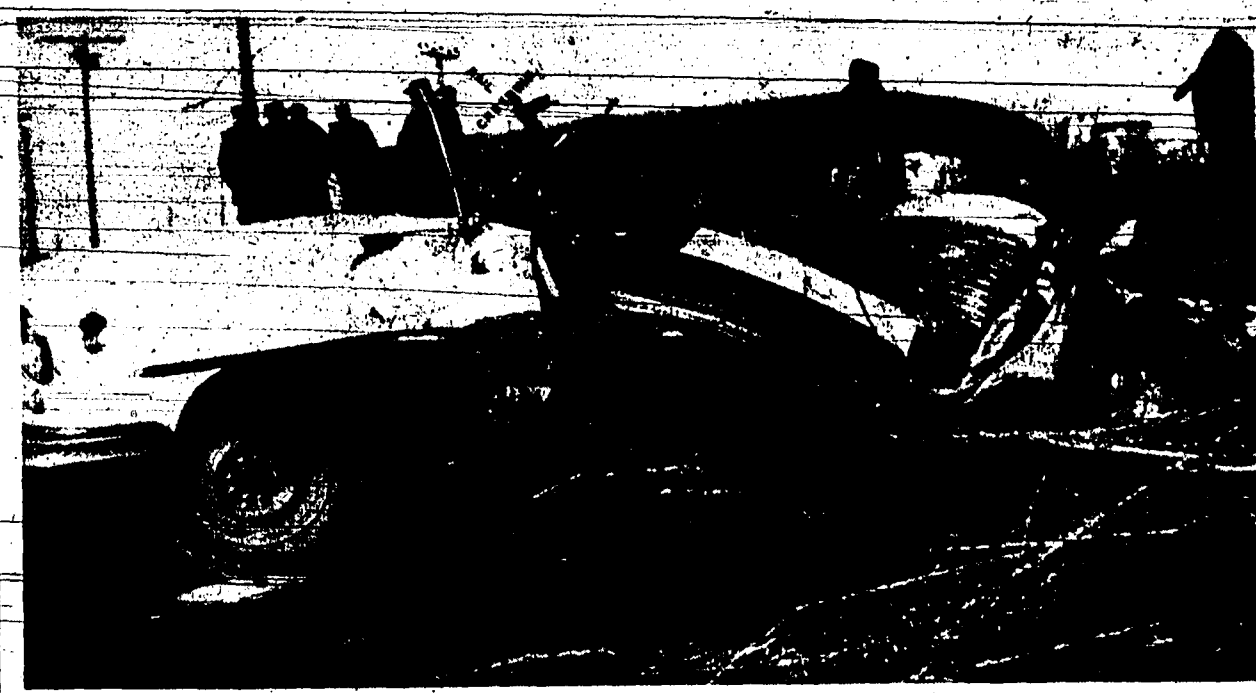

The potato production control bill would authorize penalties as great as \$500 or more an acre on acreage planted in excess of allotments, committee spokesmen said. It would apply to any farmer planting more than one acre of potatoes.

The first-year penalties would be figured at the rate of two cents a pound, based on normal yield from the overplanted acres, committee aides said. In subsequent years, the penalties would be two cents a pound or 75 per cent of the parity price, whichever was the greater.

The spokesmen said the penalties in many cases would exceed the average market price of potatoes.

Sen. Eugene J. McCarthy, D., Minn., told reporters the vote on the bill was "very close." He and committee aides said it was not a formal roll call vote, but the margin appeared to be 9-8.

Chairman Allen J. Ellender, D., La., said he sees no chance that the senate will consider the bill until after it finishes the marathon civil rights debate on which it is about to start.

Beef Fight
WASHINGTON, March 5 (AP)—Managers of the administration's election year farm bill faced their toughest test today in the senate.

It came on a proposal by determined senators from cattle and livestock producing states to reduce large imports of foreign beef and meat products by a quota system.

Led by Sen. Roman-L. Hruska, R., Neb., a group of 20 or more legislators from both parties want to tack the meat import curb to the pending cotton-wheat bill.

Sen. Hubert H. Humphrey, D., Minn., who has been directing strategy in the farm bill struggle, claimed enough votes in advance of the showdown to defeat the meat import

Train-Car Wreck Has Second Victim

BURLEY, March 5—The second victim of a car-train collision Wednesday morning east of Heyburn died Wednesday afternoon. Erroll Day, 4, died at Cassia Memorial hospital of injuries received in the crash in which his mother, Mrs. Dorothy M. Day, 45, Burley, was killed instantly. The father, Merle Day, 48, is reported in fair condition today by hospital attendants. Minidoka sheriff's officers, who were assisted by Burley police in the investigation, said the 1955 Oldsmobile Mrs. Day was driving was demolished after it was struck by a Union Pacific freight train on the Alfresco road.

All three occupants were thrown from the car and the vehicle landed in a borrow pit. The bodies of Mrs. Day and her son were taken to the Payne

Hearing on Recharge Plan Delayed

BOISE, March 5 (AP)—State Reclamation Engineer Curt Tappan says a hearing on an application for underground recharge of the Snake river plain has been delayed for six months.

Tappan said attorneys for both sides agreed to the delay to permit engineering study.

A group of Mud Lake farmers filed last December on 2,000 acres and feet of water from Henrys Fork, which drains into the Snake. They propose to carry it by canal into the area west of Rexburg and let it sink through the lava beds into the underground system.

Tappan said irrigators of the Salmon Falls creek tract south of Twin Falls have filed objection to the application, along with two or three other individuals.

The bureau of reclamation proposes to bring additional land under water in the Salmon Falls tract.

The Jefferson county farmers pump water from underground and from Mud Lake.

The question of underground recharge has been a subject of controversy in reclamation circles. District 36 water users of eastern Idaho went on record last week opposing it.

They said it shouldn't be done until there was more study of possible effects.

Much of the underground water that isn't used by pump irrigation flows into the Snake near Twin Falls at Thousand Springs.

The twisted wreckage of a light two-engine airplane, believed piloted by a Colorado man en route to Elko, was sighted today by an air search party.

It was not immediately determined if there were any survivors. One civil air patrol ground party was making its way up rugged Secret pass while another was being organized.

A CAP spokesman tentatively identified the pilot as A. Moody Longmont. He said the pilot was last heard from at about 9 p.m. yesterday and he violated normal conditions en route to a landing approach.

Wray's Cafe Is Closed in T.F.

Wray's cafe, 117 Main avenue west, was closed Thursday morning.

Mrs. John Baumer, 628 Altares drive, who has been operating the cafe for the last two weeks, said her husband has been working in Salt Lake City, said Thursday she was not prepared to say whether the cafe was closed permanently or just temporarily.

Waitresses said they were notified at home Wednesday night that the cafe would not open for business Thursday.

Richard Robertson, owner of the Perrine hotel building, in which Wray's is located, said he had no information on the closing.

SCORES ARMS FLOW

LONDON, March 5 (AP)—Israeli Foreign Minister Moshe Golda Meir said today that Israel is increasingly concerned over the flow of modern conventional weapons, including bombers, into neighboring Arab nations of the Middle East.

There's no doubt, allergists agree, that husbands and wives can be allergic to each other.

But sometimes the symptoms—a rash, sneezing, irritability—don't note another problem: They just can't stand each other.

One physician said there were five authenticated cases of allergies developed between man and wife. Dandruff was the villain in one case.

Viet Cong Get Arms From China

WASHINGTON, March 5 (UPI)—Defense Secretary Robert S. McNamara said today that North Vietnamese assistance to communist guerrillas in South Viet Nam had increased during the past six months. At a news conference prior to leaving for another of his fact-finding missions to South Viet Nam, McNamara said that weapons being supplied the Viet Cong guerrillas by North Viet Nam obviously were manufactured in Red China. McNamara, together with Gen. Maxwell D. Taylor, chairman of the joint chiefs of staff, and other top officials, leave here at midnight for a crucial size-up of the war in Viet Nam.

McNamara said that while he is in South Viet Nam, on a visit that probably will last a week, he would examine the volume, character and trend of North Vietnamese support to the Viet Cong.

He cited these weapons recently detected in South Viet Nam.

M. ALLEN DINGEL has been appointed as Idaho's assistant attorney general. Dingel, Twin Falls, who is chairman of the Twin Falls county young Republican club, has moved to Boise to assume his duties. He was appointed Wednesday by Attorney General Allan G. Shepard.

Shepard Names T. F. Man as Aide

BOISE, March 5 (AP)—Attorney General Allan G. Shepard Wednesday announced the appointment of M. Allen Dingel, Twin Falls, as an assistant attorney general.

Dingel attended Twin Falls schools and received his B. A. degree from the University of Idaho in 1958. He earned his law degree from New York University in 1961.

He was associate editor of the New York University law review and was a Pomroy scholar.

Dingel is chairman of the Twin Falls county Young Republican club.

He is admitted to the Idaho state bar and the federal district court of Idaho and is a member of the Idaho and American Bar associations.

Keith Schofield resigned as an assistant attorney general earlier in the week to seek the Republican nomination for congress in the second district.

Reactor Offered For Inspection

GENEVA, March 5 (AP)—The United States announced today that it will place one of its largest nuclear power reactors under international inspection in the hope that other countries—and particularly the Soviet Union will follow suit. U.S. delegate Adrian S. Fisher told the 17-nation disarmament conference the huge reactor plant at Rowe, Mass., is to be placed under inspection of the international atomic energy agency—(IAEA). Fisher said the United States hopes this step will encourage the Soviet Union and other countries to join in a worldwide system to prevent the misuse of civil reactors for clandestine production of nuclear weapons.

Fisher stressed that the IAEA will be invited to undertake the permanent inspection of the Rowe reactor "whether or not other states reciprocate." But if they do reciprocate, he added, it would be "one of the most significant developments of this conference."

Fisher said three smaller reactors are to be placed under inspection of the IAEA.

King Plans Five-Point Rights Drive

MONTGOMERY, Ala., March 4 (AP)—Integration leader Dr. Martin Luther King, Jr., announced today a five-point assault on segregation in Alabama, "the chief target of our program for 1964."

The program, which King said would be put into effect in coming months throughout the state, was approved at a meeting of about 200 Negro leaders from over the state.

The program:

- To intensify voter drives "to increase the number of Negro voters in this election year."
- Mass mobilization to secure "the right of a ballot for every Negro." King said the group would employ every nonviolent technique to insure this point, "a campaign aimed at 'buying' goods only where we can work."
- A push for passage of the pending civil rights bill.
- An appeal to congress to limit the number of Alabama congressmen to "conform to the actual voting population until the vote is extended to every person of color."

King is president of the Southern Christian Leadership Conference of Atlanta.

Warren Unit Holds First Public Meet

WASHINGTON, March 5 (AP)—The Warren commission held its first public hearing Wednesday in its investigation of the assassination of John F. Kennedy. It heard testimony by a New York lawyer questioning whether Lee Harvey Oswald was the killer.

The lawyer, Mark Lane, proposed to represent the interests of Oswald, charged with the murder but shot to death in the Dallas jail two days after the assassination.

Lane attempted to raise doubts as to whether Oswald was the super who killed Kennedy. He produced news photographs of the assassination scene that he contended had been "doctored" to obscure the truth.

The hearing doors were opened without advance word after the commission began its usual closed session with Chief Justice Earl Warren presiding.

W. B. Hopple Named Buhl Police Judge

BUHL, March 5 — William B. Hopple was appointed as police judge when the Buhl city council met in regular session Tuesday night.

Hopple also has been named justice of the peace for the city of Buhl by the Twin Falls county commission.

Hopple will assume the duties of police judge replacing Bernard Starr, who has served as both clerk and police judge for approximately 20 years. Starr will now just serve as clerk for the city of Buhl.

Hopple's salary of \$25 for police judge is to be paid by the city with the county to pay a similar amount for his duties as justice of the peace. His hours will be from 1 to 5 p. m. Monday through Friday at the Buhl city hall.

Council members authorized an ordinance to be drawn for a local sewer improvement district in Gray's first and second addition, located along the east side of South Broadway avenue, since no protests were voiced on the proposal during a public hearing Tuesday night. The estimated cost of the project is \$10,000.

Starting wages for a new officer for the Buhl police department was set at \$300 for the first six month period. The next six month period wages would be raised to \$315 and the following year to \$335.

It was reported a safety certificate award was received by the city from the state insurance department. The certificate is in recognition and commendation of the city of Buhl for accident prevention during the 1963 year. The safety record applies to all city employees.

Ide Gem Dairyman, Inc., was issued a milk license for 1964. Card and pool table licenses for the quarter ending March 31 were granted to Paul Cigar store, Woods Cigar store, Sport Shop and Gary's Beer parlor.

Rocky Gives Fan Autograph, Takes His Pen

ALBANY, N. Y., March 5 (AP)—After Gov. Nelson A. Rockefeller signed autographs in Kelly's drug store in Newport, N. H., one day last month, he apparently walked off with an employee's pen.

Michael Paul Towey, 18, wrote the governor, wished him well in the New Hampshire presidential primary and asked for his pen back.

Rockefeller admitted nothing in his reply.

"I am extremely sorry to hear that your pen was inadvertently slipped into my pocket and am sending you under separate cover a new one to take its place."

Mrs. Ben Eldredge Is T.F. Entry in Mrs. Idaho Event

Mrs. Ben Eldredge, 764 Walnut street north, has been selected as one of the 10 finalists in the Mrs. Idaho contest to be held in Boise Saturday. Mrs. Eldredge, as were the other nine finalists, was judged on cake baking, sewing, party planning for eight adults, ironing and philosophies of life.

A mother of four, Mrs. Eldredge has three daughters, Patty Lynn, 11, fifth grader; Lucy, 7, second grader, and Sue Anna, 2, and one son, Mike, 12, a seventh grader.

Mrs. Eldredge has lived in Twin Falls most of her life and was

graduated from Twin Falls high school. Her husband is employed at Glen C. Jenkins as a used car sales manager.

Her hobbies are sewing, upholstering and refinishing furniture, swimming and dancing. During her spare time Mrs. Eldredge is busy being a 4-H club leader, chairman for district meeting of Home Demonstration clubs and is a Sunday school teacher.

This is not the first contest of this kind Mrs. Eldredge has participated in. She was selected first place winner in the third district "Make it Yourself With Wool" contest.

The Mrs. Idaho contest is sponsored in this area by KLLX radio and the Gold Strike stamp redemption center.

Mrs. Eldredge will leave for Boise Friday afternoon and will begin participating in the state contest at 6 p. m. that evening. Contest activities will last all day Saturday.

Stockpile Streamlining Is Okayed

WASHINGTON, March 5 (AP)—Senate sources said Wednesday President Johnson has given approval to legislation intended to revise and streamline the multi-billion dollar government defense stockpiles.

White House clearance came through approval by the office of the budget bureau for a bill developed by a special senate investigation under Sen. Stuart Symington, D. Mo.

Final details of the legislation were agreed upon at a closed session of the senate armed services subcommittee, headed by Symington, a former secretary of the air force. The subcommittee conducted a lengthy (and at times turbulent) stockpile investigation last year.

"We reached unanimous agreement," Symington said, "and will make our report public when approved by the full armed services committee."

The late President John F. Kennedy touched off the lengthy senate stockpile probe three years ago by noting that huge and costly surpluses appeared to exist in the massive inventories of strategic and critical materials. He said these could be subject to abuses.

The bill would permit quicker disposal of some of the more than 8.5 billion dollars of materials now on hand, by advance notice of 40 days of such action unless either the senate or house objected.

Present law requires a six months advance notice and specific congressional approval.

ISU-Sun Valley Communications Workshop Set

POCATELLO, March 5 (AP)—Applications are being accepted for the Idaho state university-Sun Valley communications workshop.

Dr. James Backes, ISU speech department director, said the workshop is open to second, third or fourth year high school students.

The five-week event will start July 27. The first four weeks of work will be given on the Idaho state campus. The final week's program will be held at Sun Valley.

Dr. Backes said the purpose is to give basic knowledge of communications skills. Emphasized will be forensics, drama and journalism.

Supersonic Model Shown By Lockheed

SAUGUS, Calif., March 5 (AP)—Lockheed Aircraft corporation has unveiled a model of a 2,000-mile-an-hour plane it calls the fastest entry in the competition to design a U. S. supersonic transport.

The needle-nosed model was put through wind tunnel tests for newsmen Wednesday at Lockheed's Rye canyon research center.

Designers say the craft, which has double delta wings, could carry 218 passengers and fly up to 80,000 feet.

Harding Hopeful For Action on Wool Imports

WASHINGTON, March 5 (AP)—Rep. Ralph Harding, R. Ida., said Wednesday he "is most optimistic that favorable executive action will be taken in behalf of the American wool growers and the domestic textile industry."

He made the comment after conferring with President Lyndon B. Johnson on the problem of depressed wool prices. He was in a group of 26 senators and representatives who met with the President.

"The President told us," Harding said, "that he is taking our recommendations under advisement and will meet with Secretary of State Dean Rusk and Christian Herter on ways to reduce the importation of woolen goods—that are having such a depressing effect on the wool and textile market."

Barghoorn Says Russ Blame Faults on Stalin

WASHINGTON, March 5 (AP)—Dr. Frederick C. Barghoorn, the Yale university expert on Russia who was imprisoned as a spy by the Russians last fall, says Soviet grain purchases in the West "illustrate a kind of boldness and willingness to admit mistakes."

Testifying Wednesday before a house foreign affairs subcommittee in a kind of seminar on Soviet policy, Barghoorn said that in a sense the purchases are an admission of failure by Kremlin leaders.

But, he added, the mistakes have been mainly blamed on the discredited Stalin regime.

Boise Stations Drop Stamp Plan

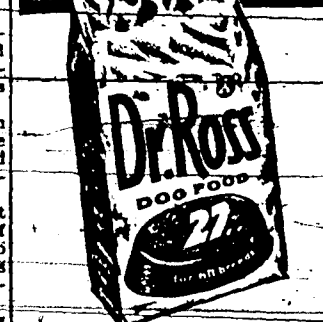

BOISE, March 5 (AP)—Fifty service station owners in the Boise area said today they have discontinued giving trading stamps with gasoline purchases.

E. Jerry Byington, president of the Petroleum Retailers group, said there will be a meeting of the area service station owners tonight to further discuss the stamp measures.

Serious Project

When Governor Smylie started talking about Idaho striving for full utilization of Snake river water, some Magic Valley residents didn't pay too much attention. They reasoned there was a popular issue that wouldn't generate too much opposition. As such, it was a prime vehicle for politicians and political talk. But the membership of Governor Smylie's committee to study the matter indicates he's quite serious about the matter.

From the start, Governor Smylie has been talking about a special session of the state legislature to pass whatever laws would be necessary for the state to start Snake river projects. Constitutional changes would be necessary and if the legislature acted in time, Idaho voters could ballot on the changes in November. That appears to be the governor's goal.

The committee of 31 has been asked by the governor to meet in Boise next Tuesday to organize. Some clear answers may be forthcoming.

Considered with another issue being pressed throughout Idaho—the sales tax proposal—the Snake river project becomes all the more significant. Governor Smylie has predicted several times that Idaho will not get a sales tax out of the next session of the legislature. He reasons there will be too many legislators with their eyes on the governor's chair. Anyone with such aspirations does not want to have the sales tax responsibility hung around his neck.

There have been several indications Governor Smylie will not seek reelection as governor. Instead, he might be a candidate for U.S. senator in the 1968 elections. If that's his plan, time is important not only to Snake river water users, but also to Governor Smylie. Unless there's an early start on his plans for Snake river, Governor Smylie would have few concrete accomplishments in that project before the 1966 elections. And if he's going to tie his political future to the Snake river project, early action is essential.

It will be interesting to see what comes out of the first meetings of the 31-man committee Governor Smylie has appointed. It's significant that the committee is bipartisan and includes a good cross-section of Idahoans. If public sentiment favors Idaho doing something about full utilization of Snake river, the committee will be aware of such public opinion and action could be expedited.

Interest will be high in next Tuesday's meeting of the governor's committee. In addition to the future of Snake river, it could shed a little light on some future political events.

NOT CONVINCED

Buhl property owners weren't convinced more money was needed by Buhl schools. Despite a full-fledged educational attempt, Buhl voters soundly rejected a proposal for a five-mill levy. The vote was 782 to 723 against the levy and a two-thirds majority in favor was needed. Other possibilities are that Buhl's property owners were registering their objection to some phase of school administration or operation; or perhaps they were just voting against more taxes.

In any event, there was no need for Buhl school patrons to wonder what would happen if the levy election failed. Board members declared in advance of the vote they would reduce the school program to fit available funds. The alternatives were spelled out quite plainly.

Presumably if school patrons object loudly to cutbacks in the program, there will be another opportunity to vote another levy at some future date.

The matter of voters rejecting school levies proposed by administrators and trustees should be of major concern to all parents. Boards and administrators are so close to school patrons that it's inconceivable they would propose levies that weren't absolutely needed. Levy proposals amount to a recommendation of what is needed to maintain a minimum program. Such proposals come from those who are in a position to know school needs better than anyone else.

Under these conditions, if voters refuse to act favorably on the recommendations, then parents and school children must be ready to accept the consequences. It must be understood that voters have been informed fully about the needs for the additional tax money and what will happen if voters do not approve.

Above all, the Buhl election demonstrates all over again that Idaho's law requiring a two-thirds majority for bonds and certain levies is not realistic. Everything else is decided by a simple majority.

The state legislature must recognize that a two-thirds majority is an unduly restrictive qualification that cannot be satisfied without utmost effort—and luck.

NATIONAL WHIRLIGIG

By ANDREW TULLY
WASHINGTON, March 5—Whatever their politics, it is natural for Americans to be interested in the life and vicarious adventures for children who hang their hats in the White House. Caroline and John Kennedy were adorning to that elegant lean-to, and now a couple of young ladies named Lynda Bird and Lucy Baines Johnson likewise have improved its decor.

From this distance, they seem like right nice girls who will be a credit to their parents. But at their ages it is natural to have questions of behavior, and if they do I should like to refer them to another White House daughter who set a standard to which all young ladies can repair.

The name now is Mrs. Clifton Daniel, but when she called the White House home it was Margaret Truman. Since I started prowling those precincts in 1948, I got to know her rather well and like every other reporter I was madly in love with her. It is an emotion that has lasted all these years, because Margaret Truman is that kind of a girl.

JUST BEING HERSELF—Living in the White House is a pretty tough thing for a kid. Anywhere else he or she can do something outrageous and it's just a part of growing up. But at 1600 Pennsylvania avenue the smallest slip will bring practically the entire country down on your head, clucking and crying shame and demanding a new President. For nearly eight years, Margaret Truman successfully walked that tightrope merely by being herself.

Without ever pressing, Margaret went about her business quietly and with a kind of innate dignity, good taste and common sense that won the respect even of her father's bitterest enemies. It was nothing really positive, it was just that she was never a nuisance—she never got in anybody's hair.

An unusually rough-and-ready type over at the state department said it best one year when Margaret was about to make her second trip to Europe. Explaining why state regarded her as good propaganda abroad, the man put it this way: "She's normal. She enjoys herself naturally. And she behaves herself."

WON EVERYBODY—Margaret was a huge success abroad because, unlike some of our more glamorous female exportations, she played herself. She romanced no third-rate pullitights, flirts, or fads. She was a girl who had a good time. Europeans, including some big shots, loved her for that. Sir Winston Churchill described her as a "damned fine girl," and the Duke of Edinburgh and Queen Elizabeth tried to get her to linger in England. When some journalist offered her a loaded question about politics, she referred him smiling to "the expert—my father."

THE GREATEST DESTINY—Another thing that endeared Margaret to the press was her sprang up about her. Unlike most famous females, Margaret did not act as if the male in question had just crawled out from under a rock. She acted flattered, which is the nicest thing that can happen to a man.

Lynda Bird and Lucy Baines Johnson are going to have their problems because the spotlight is almost always on them. But if they check up on the newspaper clippings filed under "Truman, Margaret," they will discover a guidebook on how a girl can live in the White House and like it. Margaret merely refused to stop being human, and eventually she grew up and married a nice guy and started having kids of her own. That beats anything else a girl can do, no matter what title her papa wears.

Views of Others

BOXING'S BIGGEST PROBLEM—THE FANS
The aftermath of the heavyweight title fight between Sonny Liston and Cassius Clay suggests once again that the biggest trouble with boxing is its fans.

Before the fight, boxing writers and fans generally left no cliché unturned in ridiculing suggestions that Clay might possibly be as fast with his fists as with his boasts.

During the fight, Liston was hooted for failure to knock out the "Vegas" prizefighter. When Cassius Clay stopped the fight because Liston was seriously injured and could no longer use his left arm, the fans who had been lavishing their praises on him hours earlier suddenly concluded that he didn't have the nerve of a "real champion."

After the fight, the defeated Liston—damaged arm and all—was dismissed immediately as a has-been who might possibly "make a comeback" by diligent effort, but who could not be regarded as a serious contender for the heavyweight championship.

All of this has become fairly typical of the "report" of boxing. The boxer may be wonderfully talented and experienced in their sport, but the fans for the most part aren't much interested in feints and footwork. The fans want to see somebody get knocked out. They want to see the blood flow. And if brains are added or muscles torn in the process, another champion can be thrown on the scrap heap to be forgotten while the tickle fight mob screams the praises of yesterday's bum.

Sonny Liston is not much more a gentleman and not much less a boxer than he was Tuesday afternoon. Cassius Clay hasn't really changed much either. Who shared the fight? The fight mob. The old champion is a bum and the new champion suddenly a hero because the fight mob can change its loyalties and its convictions at the first sign of blood.

Boxing won't become a true sport again simply through improvement of the boxers. The fans constitute the real problem—Lewiston Tribune.

IDAHO'S WATER USAGE PROBLEMS
R. P. (Pall) Parry, Twin Falls attorney long identified with water resource development in Idaho, said something when he talked to the Idaho Reclamation Association in Idaho Falls recently that is worth added emphasis.

Mr. Parry, reminiscing, recalled that he'd stopped in Twin Falls originally and many years ago on his way to California. He never got farther than beyond Twin Falls.

Determined even then to pursue irrigation law, Mr. Parry was informed that there would be no more irrigation law practice in Idaho; that the water had already been court decreed; that there would be nothing in the future for an irrigation attorney to do.

It's true that, in early days, practically every attorney in Idaho dabbled in irrigation law and litigation and all that, too, has long since ended.

But we hadn't settled everything pertaining to water in Idaho back in those days. Indeed, we haven't settled everything yet. In fact, as we progress and move forward in Idaho, water, who owns it, is privileged to use it and what it's to be used for, has become increasingly important.

Today, we are confronted with the greatest threat of the state's history: diversion of Snake river water from the Hagerman valley to southern California.

We doubt that the day will ever come when Idaho will have so completely resolved its water usage problems that we can sit back and say, accurately, that there is nothing further to do in that field—Eastern Idaho Farmer (Idaho Falls).

POT SHOTS

PERHAPS
Dear Sir:
When I picked up my Sunday T-N, I started putting together two and two and suddenly they made four.

President Johnson announced the U. S. had a fast new plane with a range of thousands of miles. Mean anything?

Well, haven't we been hearing those sonic booms around Magic Valley quite regularly?—And wouldn't it be best to test a secret new plane over the sparsely settled regions of the West than over the more populous places? And couldn't that fast new plane with a range of "thousands of miles" fly over Magic Valley?

If your readers will think back, those sonic booms never have occurred during foul weather; always when it's clear all over the West.

I'll bet the air force has been testing that new plane over this region.

Dear Pot Shots:
We have four darling part-German shepherd puppies to give away. They are newspaper house-broken and respond to "no," "down" and "outside." They do not cry at night when put in a new home (at least the others haven't), need petting and loving from children. They'll be 3 months old on St. Patrick's day.

THERE'D BE NO CHANGE

Dear Gent:
For five days in a row, I kept trying to phone a friend, but the line was ALWAYS busy. I even started one morning at 7:30 and the line was busy. For one period of two hours, I kept trying every five or six minutes and always got the busy signal.

The sixth day, the phone rang and rang before someone answered. Then during the conversation I happened to mention I'd been trying to call all week and got the busy signal. "Haven't had a call all week," the friend replied.

Why don't these people who have a phone so much have another one installed in their home so they can change lines once in a while?

Sir:
Cold weather finally wore down the battery in my car, so I finally caved in, bought a new one.

In trading in the old battery, I rubbed away some of the grime and found these numbers pounded into the lead connections: "2 59."

Five years out of a battery with a 24-month guarantee is—fairly good, isn't it?

The Philippines have been looking with increasing disquiet at the progress of events in South Viet Nam where the U.S. expenditure of 1.5 million dollars a day and the assignment of 15,000 military advisers show no immediate sign of winning the guerrilla war against communism.

In Indonesia, where he was the guest of President Sukarno, Philippines President Diosdado Macapagal, staunchly anti-communist, indicated he has been doing some thinking about the Philippines' own position.

His line of thinking would affect the future of important U.S. military bases in the Philippines, including the air force base at Clark field and the Cavite naval base.

Besides having military agreements with the United States, the Philippines are a member of the Southeast Asia Treaty Organization (SEATO) which was designed specifically to halt the march of communism in Southeast Asia.

Macapagal believes that military alliances no longer are a sufficient deterrent to the dangers facing the area.

He also rejects what he calls "the old passive role of letting others assume responsibility which it is our duty and privilege to shoulder as independent countries."

Separated from the question of military bases, this is a position which the United States could heartily endorse.

As for the bases, Macapagal has made no suggestion that he would revise the 1959 agreement which reduced the original 99-year lease to 25 years and gave the Philippines a greater voice in their use.

He has, however, joined President Sukarno in demanding the eventual removal of similar British bases in the neighboring Malaysian federation.

Macapagal's thinking clearly takes in the latest response of first the Laotian and now the South Vietnamese peasant who, beyond the necessity of survival, has shown little interest in the matter of his rulers, whether they be communist or anti-communist.

Interpreting the News

BY JAMES MARLOW
(Associated Press News Analyst)

WASHINGTON, March 5 (AP)—President Johnson, in search of better if not new ways to handle trouble spots like Latin America and Viet Nam, just moves one man in on an on-again-off-again waiting for resignations.

But Fidel Castro's Cuba still seems to baffle him, as it did President John F. Kennedy.

He was President less than a month when he decided to im-

proves on the Latin-American policy he inherited from Kennedy. Having decided, he moved suddenly.

He lifted Thomas C. Mann, 51-year-old Texan, from his job as ambassador to Mexico and put him in charge of all Latin-American affairs with the title of assistant secretary of state and White House adviser.

Mann thus replaced Edwin M. Martin who thereupon took a few months off before becoming an ambassador in Latin America.

So far there has been no noticeable change in this country's Latin-American policy but meanwhile the Panamanians rioted against Americans in the Panama Canal Zone, causing new trouble.

In South Viet Nam, which this country has backed for eight years against the communist guerrillas of North Viet Nam, the situation seems to be going from bad to worse.

On Dec. 14, the same day Johnson elevated Mann, Roger Hilsman, assistant secretary of state for Far Eastern affairs, was heard from in a speech which got a lot of attention but contained nothing new.

Although Hilsman's province included Viet Nam, that day he

MARQUIS CHILDS WRITES ON WASHINGTON

WASHINGTON, March 5—Nothing like the first hundred days of Lyndon Johnson's presidency has been seen before. The circumstances and partly the man created a drama without parallel in our national life.

Shocked, humiliated, profoundly moved and deeply troubled by the events of November, Americans regardless of party or creed turned to a new President whom they scarcely had heard of to be reassured. They wanted to believe that this man could carry on and that with him the shock would abate and the fear of the future recede.

By temperament his boundless energy and unquenchable self-confidence—he was off and running with hardly a moment's hesitation. By every means of communication he set out to tell Americans just what they wanted to hear, namely that there would be no interruption in the orderly processes of government and the Kennedy programs would be his.

Success was foreordained. The polls are in part a reflection of the circumstance and the man. Hope and promise combine to keep the rating high.

It is pointless to compare his performance with any like period out of the past. The tax bill has been passed and this seems to assure a high level of prosperity throughout the current year. Where the measure would have been on a Kennedy schedule will never be known.

A great deal of the Johnson energy has gone into intensive cultivation of congress, whether this will pay off in terms of controversial legislation—the tax cut had wide popular support—is uncertain. While the President has drastically cut back the foreign aid program for the coming year, his has not appeared enemies of aid nor is there evidence it has won new friends.

The house voted down by 208 to 188 an increase in America's share in the loan capacity of the international development association which has been considered one of the most sensible approaches to foreign aid.

The big tests are still to come. After a long, hard battle in the senate congress fails to pass a strong civil rights bill, growing disorder in the South and in northern cities will confront the President with mounting hostility between Negroes and

The Doctor Says

BY WAYNE G. BRANDSTADT, M.D.
A slipped disk, a ruptured disk, a prolapsed disk, a herniated disk all mean the same thing. A disk is a soft cartilage between two vertebrae. It sometimes protrudes beyond its normal bounds and impinges on the spinal nerves.

This happens most frequently in the lower back and is the cause of about 90 per cent of the complaints that used to be called sciatica.

The condition is seen more often in middle-aged housewives and office workers than in well-developed laborers. The immediate cause is not always easily identified, but often it is a sudden twisting of the back that is accompanied by a sharp pain.

The victim usually feels the pain most acutely when he gets out of bed in the morning. He is most comfortable lying on his back on the floor or some other unyielding surface.

He would rather sit erect on a hard chair than to slouch in an overstuffed chair. Coughing and sneezing aggravate the pain. Given these symptoms, your doctor can confirm the diagnosis with an X-ray.

After winning the first trick you cash the ace and king of trumps and both opponents follow.

Do you want to try for a lot of tricks or do you want to make sure of bringing home your contract? If you want to play safe, you should start proceedings by adding a low diamond toward dummy. If East wins with the queen, you will have tossed a trick right out the window. No matter which opponent wins the trick, however, you will be sure

to bring home your contract. Suppose West takes the queen and leads a club. Now you finess dummy's queen. If that loses, East will have to lead something and before West can get in to lead another club through dummy, you will have thrown up two winners in your own hand and will be able to discard dummy's ten of clubs and eventually to ruff your last club.

If you got out for everything that isn't nailed down, you will lead a club toward dummy and finess the queen. If that holds, you will lead the jack of diamonds and finess against East for the queen.

You will make six on that line of play if the king of clubs and queen of diamonds are there when the time comes. But you will do down at your game contract if both these cards end up in the jack of clubs are where you don't want them to be.

Career Meet Is Successful At Kimberly

KIMBERLY, March 5 — Students of the Kimberly high school and eighth graders participated in the first career conference held in the high school gymnasium. School officials said they plan to make it an annual event.

Seventeen vocational fields, which were selected at a prior date by the students in a vocational survey, were presented by speakers from the area. Each presentation of the vocations included a description of the vocation, requirements of the vocation (education, training, personal and physical qualifications), rewards of the vocation and occupational outlook.

Resource speakers and their fields were Donald Youns, county agricultural agent, agriculture; Sgt. Henry O. Persons, recruiter, and William Claiborn, liaison officer for the air force academy, air force careers; Sgt. Frank Casper, army recruiter; Chief David Yocom, navy recruiter; Lauren Nelson and DeEtta Holcomb, Beauty Arts academy, cosmetology.

John Battenwhite, United Electronics, electronics; Clinton Sept, Idaho Power engineer, drafting and engineering; Ned D. Millard, forest service, forestry; Mrs. Agnes Hurst, home extension agent, home economics; Milo Pope, law, Larry Rowe, employment security office, mechanics.

Dr. Luther Thompson, director, south central Idaho health unit, medical arts; Mrs. Aileen Atwood, Magic Valley Memorial hospital, director of nurses, nursing; Karl Black, Twin Falls business college, secretarial-clerical; Helen Thomas and Edith Whittle, secondary and elementary teaching; Marion Rhodes, district conservationist, and Gary Davidson, wildlife management.

The presentation periods were preceded by an address to the students by Larry Rowe of the employment security office.

Dr. Luther Thompson, director, south central Idaho health unit, medical arts; Mrs. Aileen Atwood, Magic Valley Memorial hospital, director of nurses, nursing; Karl Black, Twin Falls business college, secretarial-clerical; Helen Thomas and Edith Whittle, secondary and elementary teaching; Marion Rhodes, district conservationist, and Gary Davidson, wildlife management.

State Grange Master Will Give Speech

PAUL, March 5 — Ernil S. Jerome, Kuna, state Grange master, will discuss the youth rehabilitation law at a meeting sponsored by the Pioneer Grange at 8 p.m. Wednesday at the Rupert Grange hall.

Special guests will include State Sen. Rodney Hansen, Rupert, and Don Loveland, Burley; Rep. Dale Garner, Rupert, and Rep. Vard Chaburn, Albion.

Other guests will include Mrs. Jerome; Mrs. Ira Kistler, Ode; Ing, state Grange lecturer; Fern C. Harland, Nampa, state Grange secretary; W. E. Adams, state Grange executive committee chairman, and Russell Shockey, Burley, Cassia county Pama Grange master.

There will be a program and refreshments.

First Effect Of Tax Cut To Be Felt

WASHINGTON, March 5 (AP) — The taxpayer feels the first direct effects of the tax cut today, and administration officials believe his response will demonstrate a new governmental tool for controlling the economy.

The reduction in taxes is retroactive to New Year's day but new lower tax roll withholding rates become effective for the first time today.

Most workers will note only a slight increase in their paychecks — about \$1 to \$5 a week. Others will get much more, with the total coming to about 800 million dollars a month.

Most economists believe this increased amount available for consumer spending will provide a significant and steadily increasing spur to business over the next 12 months or more.

The new 14 per cent withholding rate, replacing an 18 per cent rate, is applied after deducting about \$15 a week for each exemption claimed.

The new rate applies to all wage and salary payments made today or later, although the internal revenue service said there will be no penalties for employers who are a day or two early or late.

Grange Supply Keeps Officials

KING HILL, March 6 — William Arbaugh, King Hill, and Walter Schumaker, Glenns Ferry, were elected directors of the Glenns Ferry Grange Supply, when the board of directors met Monday night at the King Hill Grange hall.

Lynn Sherman, manager and secretary of the Grange Supply, reported on the past year's finances and explained the audit report.

Arbaugh and Schumaker were elected to the board of directors for a three year term, succeeding Floyd McKee and Arthur Greer.

Refreshments were served by the King Hill members, Mrs. Lynn Sherman and Mrs. Cecil Bott, arranged by Mrs. Thomas Timbers, home economics chairman.

KENNEDY MUSIC WRITTEN
NEW YORK, March 6 — Igor Stravinsky is writing a choral work in memory of John F. Kennedy, and has asked poet W. H. Auden to provide a text.

President Puts Women In Top Jobs

WASHINGTON, March 5 (AP)—President Johnson appointed 10 women to top government jobs Wednesday night and said he was serving notice "that this administration is not running a stag party."

His surprise announcement came at a Women's National Press club dinner at which the first Golden Candlestick award was made to a New York judge, Mrs. Anna Kross, for work most exemplifying the spirit of the late Mrs. Eleanor Roosevelt.

Johnson preceded his formal speech by announcing the new appointments ranging from an ambassadorship for Mrs. Katherine E. White, Redbank, N.J., to a new director of the women's bureau in the labor department, Mrs. Mary Keyserling, an economist and wife of economist Leonard Keyserling.

He said the country to which Mrs. White has been appointed ambassador will be announced later.

Amid applause from the audience of some 600, Johnson listed these other appointees:

Mrs. Virginia Mac Brown, Piney, W. Va., to be the first woman member of the interstate commerce commission.

Mrs. Pauline Tomkins, North Edgecomb, Me., executive secretary of the American Association of University Women, appointed to the advisory committee on education and cultural affairs of the state department.

Mrs. Norman Chandler, wife of the president of the Los Angeles Times-Mirror corporation, to be a member of the advisory committee to the U.S. information agency.

Mrs. India Edwards, former vice chairman of the Democratic National committee, to be special consultant to the secretary of labor on youth employment.

Mrs. Rose McKee, a former newspaper woman, to be director of the office of public information of the small business administration.

Dr. Eleanor Poland, Kansas City, Mo., to be specialist on the research grants program of the department of health, education and welfare.

Mrs. Barbara Bolling, former wife of Rep. Richard Bolling, D., Mo., to be special assistant to the U.S. chief of protocol.

Mrs. Herbert Stata, Washington, to be consultant to the U.S. office of aging and coordinator of senior citizens month in the welfare department.

In his address, Johnson vowed that women will be "in the front lines" in his promised war on poverty and that his campaign to enlist women in government jobs "is no sporadic, election-year objective."

Gem Speech Tournaments Scheduled

BOISE, March 5 (AP)—Dates and places were listed Wednesday for district and regional declamation festivals and debate tournaments for Idaho high school students.

The Idaho Interscholastic Activities association said the state debate tournaments will be held April 3-4 in Boise for Class A schools and in Kimberly for Class B schools.

Declamation is not carried to the state level. Regional meets end the competition.

The regional declamation festivals will be held March 21 in Coeur d'Alene, Nampa and Idaho Falls.

District 3 had its festival in Mountain Home on Saturday and district 4 scheduled a meet in Terreton Wednesday. Other meets will be held on Saturday in Coeur d'Alene, Moscow, Buhl and Aberdeen.

The regional debate meets are set March 23-24 in Kellogg, Rupert and Blackfoot for class A schools, those with 300 or more students. There will be no regional competition for class B schools.

The district meets are scheduled March 11 for district 6 class A in Rigby and district 5 in Arco; March 13 for district 2 class A in Grangeville; March 13-14 for district 3 in Meridian and March 14 for district 1 in Coeur d'Alene, district 2 class B in Kamiah, district 4 in Kimberly and district 5 at Highland high in Pocatello.

Debating will be in two divisions for either boys or girls and for girls only.

The class A regionals will qualify three teams each if at least six teams compete. If there are less than six teams competing, only two will be qualified for the state tournament.

For class B schools, two teams will be qualified in each division for the state tournament in each district.

Congress Okays 115 Million For Peace Corps

WASHINGTON, March 5 (AP)—Congress authorized on Wednesday 115 million dollars for the peace corps — the full amount asked by the Johnson administration.

The authorization is for the fiscal year beginning July 1. House passage by a voice vote sent the measure to the President. The senate had already approved it.

INDIAN TO VISIT U.S. NEW DELHI, India, March 5 (AP)—Defense Minister Y. B. Chavan will visit the United States in late March or early April for talks on India's defense needs.

Rupert Miss, Herbold Recite Wedding Vows

RUPERT, March 5 — Nuptial vows were recited Jan. 27 in St. Nicholas Catholic church by Patsy West, daughter of Mr. and Mrs. Mansfield West, and Dennis M. Herbold, son of Mr. and Mrs. Max Herbold, all Rupert.

The Rev. Malachy McNeill solemnized the double ring rites before the altar adorned with red and white carnations in gold altar vases.

The bride, given in marriage by her father, wore a floor-length gown of brocade satin enhanced with a chapel train. The fitted bodice featured lily point sleeves, a beaded empire waist and a bateau neckline. A veil of imported French illusion lace was held by a tiara of seed pearls.

Her cascade bouquet of white feathered carnations was centered with a large white orchid tied with red velvet ribbons and enhanced with lace insets and tiny red hearts.

Julie Ann Herbold, sister of the bridegroom, was maid of honor. Bridesmaids were Bonnie West, sister of the bride, Patsy Gentry and Patricia Smith. They wore street-length dresses of cranberry velvet.

Miss Herbold carried red and white carnations tied with white velvet ribbon with lace insets. The bridesmaids' bouquets were fashioned of red and white carnations.

Dennis Felton was best man; Ushers were Wayne Matthews, Rupert, and two fraternal brothers of the bridegroom, Earl Pickett, Blackfoot, and Neil Satterwhite, Twin Falls. Kelly Perrin, nephew of the bride, was ringbearer.

Clayton Rausch was organist. Clyde Richan was soloist. Following the ceremony, a reception was held in the parish hall, under the direction of Mrs. Aldo Dallolio. Mrs. Harold Gray, aunt of the bridegroom, was in charge of the guest book.

Mrs. Vernon Knight was in charge of the gift tables. Punch and coffee were served by Mrs. Kilde and Mrs. George Sullivan. Cake was served by Mrs. Raymond Gentry and Mrs. LaVelle Ferrin.

The bride's mother chose a rose knit suit. The bridegroom's mother wore a knit suit of old gold. Gardenias and red roses completed their ensemble.

For her wedding trip, the new Mrs. Herbold wore a red knit suit with black accessories and a red and white carnation corsage.

The couple will reside in Pocatello.

The bride attended Idaho State University and Twin Falls Business college. She is currently employed as a secretary in Pocatello.

Herbold will be graduated in June from ISU, where he is majoring in business administration. He is affiliated with Phi Sigma Kappa fraternity, of which he is president.

The bride was honored at a pre-nuptial shower at the home of Mrs. Raymond Gentry. Patsy Gentry was co-hostess.

Hansen WSCS Reports Meet

HANSEN, March 5 — Mrs. Mervyn Gray led the lesson study on prayer at the Woman's Society of Christian Service meeting held at the home of Mrs. Kenneth Naylor.

The group was asked to increase its mission contributions 25 per cent more than last year, which they decided to do.

Several women indicated they would attend the annual district meeting March 17 at Blackfoot, if a bus can be obtained. Women wanting to go are to call Mrs. Austin More by Tuesday.

A thank you letter from the Jessie Lee home, Seward, Alaska, was read. They need house parents and other persons and asked that others be contacted who may be interested in this type of work.

Mrs. Woodbury Is Unit Officer

Grand Guardian Makes Official Visit to Bethel

WENDELL, March 5 — Mrs. Olga N. Lish, Surley, grand guardian of the Grand council of Idaho, Job's Daughters, paid her official visit to Bethel No. 30.

Mrs. Lish was honored at a noon luncheon served in the banquet room of the Baptist church. Immediately following the luncheon she held a school of instruction for council members.

A school of instruction for Job's Daughters was held at the Masonic temple.

A banquet prepared by members of the Order of Eastern Star, under the direction of Mrs. Irvin Davis, worthy matron, was served by members of the Masonic lodge under the direction of Dean Turner, senior warden.

Norma Broyles, honored queen, was mistress of ceremonies. She introduced Mrs. Lish, and Mrs. Davis, Mrs. Willis McKercher and Theodore Broyles.

Mrs. McKercher presented Miss Broyles a corsage from her grandfather, Otto Broyles, worshipful master of Halley Masonic lodge No. 16.

At the official meeting, Mrs. Lish was honored at a Valentine presentation where she received money the girls had earned for her hospital project.

Miss Broyles presented Mrs. Lish a personal gift from the Bethel and princesses Shirley Adams and Lola Divine. They paid her tribute by presenting her a valentine in her chosen colors of lavender, pink and silver.

Mrs. Lish spoke to the girls on setting high ideals, and gave them a thought for the Lenten season.

The ceremony of initiation was presented for Theresa Gaenzle, Fairfield. A double duet was sung by Shirley Adams, Mary Dietrich, Lois Divine and Mary O'Donnell. A special Bible ceremony was presented by Paula Cox, Bible page, and Cathy Tomlinson, Susan Rathke, Lorraine Stewart and Linda Deckard, altar pages.

Special introductions were given to Margaret Brown, past honored queen; Mrs. Billy Hawkins, past honored queen; Salt Lake City Bethel No. 1; Ray Rogers, Heyburn, past associate grand guardian; Mrs. Theodore Broyles, Mrs. Halbert Hatch and A. W. Reimers, past guardians and associate guardian; Shirley Adams, grand representative to Louisiana; Otto Broyles, Mr. and Mrs. Davis, Mrs. Willis McKercher and Theodore Broyles.

For the program, Betsy Shaw played a piano solo, Miss Dietrich gave a reading and Mrs. Theodore Divine accompanied members of the double duet team for a number.

Librarian Patricia Nicholson gave a report on recipe for living.

Miss Broyles announced her first fund raising project to pay for new robes for officers. The

Demonstration Given at Area Club Parley

WENDELL, March 5—Mrs. Elmer Bennett was hostess for the meeting of the Merry Homemakers club. A demonstration on accessories was given by Mrs. James Gunnings and Mrs. Bennett.

Basic ideas on how to choose accessories to serve a real purpose in color, size, material and design were stressed. "Accessories should be kept in harmony and with the style of the costume. It is good to concentrate on a few good accessories rather than many inexpensive ones," they said.

Each member evaluated their appearance by point value. Pointers on low calories and cooking low calorie foods were given by Mrs. Ray Ruby.

The workshop for the lesson, "Household shortcuts," will be given at 2 p.m. March 24 at the clubrooms. Mrs. Charles Young and Mrs. G. D. Pierce will present the demonstration. The April 20 meeting will be a potluck dinner and a demonstration will be given.

The March 16 meeting was announced as all-club day. A salad bar will be featured. Merry Homemaker members will be hostesses.

International Dinner Held by Camp Fire Girls

O-wa-la-cin-junior high group and the Ne-top-pew Camp Fire Girls group held an international dinner at the Idaho Power auditorium. This was one of their national project requirements for the year.

Guest speaker was Michael Klotte, exchange student from Germany, who is residing with Mr. and Mrs. John Bishop. Guests were Mrs. Bishop, Mrs. Glancea Bugh and Janet Rapp.

The girls, dressed in foreign costumes, served food representing different countries. Carol Turner was mistress of ceremonies. Vickie Koonick explained her group Camp Fire flag and Linda McCoy explained the junior high group's flag. Patricia McCalmie gave the group torchbearer's desire. Mary Stimpson presented "What Camp Fire means to me." Peggy Deahl explained the beads and craft. Vickie Bowman and Anna Johnson presented honor beads to those who honored them. Linda McCoy, Vickie Bowman and Carol Turner wore their ceremonial gowns and explained the honors they have received and how the headbands were made and why.

Danny Mort was a guest and spoke on what scouting means to him.

Couple Honored At Reception

BLISS, March 5—A wedding reception honoring Mr. and Mrs. James Calkins, Jr., was held at the Bliss Grange hall. Christy Blane was in charge of the guest book. Bonnie Smith and Pamela Brownlee were in charge of gifts.

Eanna Akers played background music. Gretchen Belister played two piano solos. Mrs. Jay Outright presented a reading. The bride's table was decorated with a three-tiered white wedding cake topped with a miniature bride and bridegroom.

The bride is employed by Doctors and Dentists Auditing service. Kreps is affiliated with Jesus Brethren. They will reside at 279-Filer avenue west, Twin Falls.

ADA ANN BLUNT

Ada Ann Blunt, Thomas Reveal March Plans

JEROME, March 5—The engagement of Ada Ann Blunt, daughter of Mr. and Mrs. John V. Blunt, to Robert C. Thomas, son of Mr. and Mrs. Phillip Thomas, was recently announced.

Miss Blunt attended Jerome schools and is employed by Simplicity's Inc., Burley.

Thomas attended schools in Salt Lake City, served four years in the navy and attended Brigham Young university. He is also employed at Simplicity's Inc., Burley.

They will be married March 7 at the Idaho Falls LDS temple.

Mrs. Gerald Duncombe, Hagerman, cut and served the cake. Mr. James Calkins, Jr., Hagerman, poured coffee and Mrs. Dale Blane, Bliss, presided at the punch bowl.

The couple was married at the home of the bride's parents, Buhl.

Council Day Service Held In Shoshone

SHOSHONE, March 5—"How is the time?" was the theme of the National Women's Missionary council day service held at the Assembly of God church. The special service featured participation by members in a program and an account of the past year's work.

The Rev. John Shaw gave the introduction. President of the WMC, Mrs. Carl Kinney, spoke, followed by talks by Mrs. Leo Braun, Mrs. James Pate, Mrs. C. D. Low, Mrs. Dale Low and Mrs. Harold Huyser. Poems were given by Mrs. L. E. Campbell and Mrs. Frank Lane. Mrs. Lane also was vocal soloist.

An explanation of the work of WMC was given by the Rev. Mr. Shaw.

Mrs. Pate gave the yearly report.

The activity report of the local women showed 346 pieces of gospel literature distributed, 133 get-well and sympathy cards sent, 86 floral gifts, 322 house or hospital calls, five large boxes of clothing sent to the Ft. Hall Indians and one overall quilt.

This made a total of \$69.96 spent on local projects, \$32.90 for district projects, \$95.81 for home missions and \$123.11 for foreign missions.

The women also sent in \$454.14 worth of canceled postage stamps. Missionaries receive value for them. For all projects and stamps, this made a total of \$857.14 provided by the local women.

115th Yank Is Killed In Viet Nam

SAIGON, South Viet Nam, March 5 (AP)—American authorities reported today the death of a third U.S. army officer in two days of the war against the communist Viet Cong.

A spokesman said the American adviser was shot Wednesday in a skirmish 210 miles north of Saigon, near the intersecting borders of South Viet Nam, Cambodia and Laos.

He was the 115th American to die in combat since the U.S. buildup began in December, 1961.

William Graffee Taken by Death

BUHL, March 5—William H. Graffee, 80, former Buhl resident, died at 11:50 p. m. Tuesday in the Magic Valley Guest home, Twin Falls, of an extended illness.

He was born Aug. 17, 1883, at Chattanooga, Tenn. He lived in Buhl for many years.

Survivors include two daughters, Mrs. Lucille Duffin, Oakland, Calif., and Mrs. Ruby Jones, San Leandro, Calif.; two sons, James R. Graffee, Oakland, Calif., and Fred Graffee, Boise.

Funeral services will be held at 2 p. m. Saturday at the Albertson-Dickard funeral home chapel. Place of final rites will be announced.

Construction On Shopping Center Near

Construction should start, weather permits, within a couple of weeks on a new shopping center being built by Harry A. Daum, Inc. on land located between Intermountain Gas company and the Masonic temple, announces Jean Miller, engineering consultant who represents Daum.

The shopping center will have about three and one-half acres of floor space. The center will include a grocery store, department store, shoe store, drug store and several business offices, Miller said.

Twin Falls county commissioners will hear a petition to vacate a road, which was dedicated in 1909 but never developed, on the Daum property. Reasons for vacating the road and any proposed road will be heard at 9:30 a. m. March 30 in the commission office.

Perrine coulee runs through the Daum property and Miller noted at present only the northern portion of the property will be developed. This means only a minor part of the coulee will have to be realigned.

In the future the coulee may be completely relocated, Miller said.

COMPETES FOR TITLE

WENDELL, March 5—Dianne Petersen, Wendell, student at Idaho State university, was runner-up for queen of the university's 1964 winter carnival. The winner will reign over the ski club-sponsored carnival Saturday at the Skyline ski area.

PLANNING FOR A CONCERT to be given by the Singing Mothers of the Gooding LDS stake Relief society at 8 p. m. March 13 are, from left, Mrs. Wayne Thornock, Gooding, and Mrs. Samuel Packer, Jerome, accompanists, and Mrs. J. Forrest Weaver, Wendell, standing, who is directing the chorus. The group is composed of 50 voices and the women have been practicing since last October. Sacred, classical and popular selections will be featured.

Singing Mothers Set Event At Wendell Ward March 13

WENDELL, March 5—The Gooding stake Relief society chorus of 50 voices, will present a musical concert at 8 p. m. March 13 in the new LDS Wendell ward chapel, located on North Idaho street.

Love Letter Brings Death At Nazi Camp

FRANKFURT, Germany, March 5 (AP)—A former Nazi general testified today the Gestapo killed his woman assistant because she wrote a love letter to an Auschwitz death camp inmate.

"She was picked up and all I heard later was that she was killed," Joseph Goebbels, 62, told a court trying 21 ex-Gestapo men and a turncoat prisoner for helping kill 2.5 million to four million persons at the death camp.

Judge Hans Hofmeyer quoted a pre-trial witness as saying the former Nazi SS brigadier general had a "considerable fight" in trying to save the woman, Lilli Tröber, from alleged Auschwitz torture master Wilhelm Boger, a Gestapo man.

Boger, a defendant who usually either grins or glares at witnesses, shook his head violently at the witness. Caesar asked a moment and said, "I don't remember those details."

Boger gave a small grin. The judge then brushed aside Caesar's statement he was only an innocent bystander, running his camp farm and seeing no mass murder. Hofmeyer quoted pre-trial testimony that Caesar ranked only after the camp commandant as "the most important person in Auschwitz."

"No! Caesar said, 'I had absolutely nothing to do with the camp. I cared only for the agricultural station.'"

The tall ex-Nazi, who now runs a laundry, said the SS sent him to Auschwitz in 1943 to open a rubber plant because the Japanese blockade breakers no longer got through the allied wartime fleet.

The judge asked if he had ever seen prisoners mistreated. "Heard, yes. Seen, no," Caesar replied. But under Hofmeyer's questioning, the former Nazi general said he witnessed SS guards shooting four or five prisoners who mutilated.

Ike Will Begin 'Party-to-People' GOP Programs

WASHINGTON, March 5 (AP)—President Dwight D. Eisenhower will inaugurate a Republican "Party-to-people" program March 31 in Los Angeles.

Eisenhower will act as chairman of a panel discussion on "Peace and security," according to an announcement from Rep. Melvin Laird, R., Wis., chairman of the GOP's 1964 platform committee.

Laird said yesterday that six programs will be held during the next three months: Miami, April 15, "Latin American affairs"; Kansas City, Mo., April 28, "Farm problems"; Chicago, May 7, "Jobs and our economy"; Memphis, May 27, "Rural needs"; and Philadelphia, June 9, "Foreign policy."

No Writers

PROVIDENCE, R.I., March 5 (AP)—Poet Ogden Nash says he's worried because he does not see any young writers on the horizon.

"At the time we need it most," he said, "I don't see anyone coming along that is a writing humorist."

In a speech at Pembroke college, Nash said:

"Our writers all want to write Greek tragedy, and television and advertising have snapped up many bright young people because they pay more money for their talents. Unfortunately, they also wear them out quickly, but I hope some of them emerge unscathed."

Minico Youth Wins Honors In Debating

RUPERT, March 5—John Lay, a student at Minico, was elected speaker of the senate at the Idaho Falls Invitational student congress and debate meet held last week-end in Idaho Falls.

The meet was attended by 70 members of student congress and 80 debaters from 10 high schools in the area.

Lay was awarded more points during the session than any speaker has received in the history of the annual meet, school officials said.

Minico won second in total points in student congress and third for the sweepstakes trophy. Debaters—Kathy Wheeler and Camille Nichols—debated to the seventh round in the "sudden death" tournament.

Minico entries in the student congress house of representatives were Monte Thompson, Carol Hawk, Frances Quigley, and Georgia Newman. In the senate were Lay, Larry Duffin and Art Dalley.

Debate teams competing included Doug James and Jim LaRue, John Tarp and Lynda Anderson, Camille Nichols and Kathy Wheeler and Dee Leoni and Joan Workman.

Ikedda Outlines Japanese Policy Toward Reds

TOKYO, March 5 (AP)—Premier Hayato Ikeda declared today that Japan will only recognize communist China when it is generally considered a peace-loving country.

Ikeda denied in a parliamentary committee debate that he had meant in earlier statements Japan would establish diplomatic ties with Peking upon the latter's entry into the United Nations.

When the state gives up immunity, the cities lose it automatically, the court said.

Judge Matthew Hill disagreed with the majority of his colleagues. Hill said that the legislature did not remove city immunity.

Happy-Go-Lucky 4-H club met Wednesday afternoon at the home of Tracy Peterson.

Sylvia Briggs led in the salute to the flag and General Howe led the 4-H pledge. Beth Britt suggested giving Easter favors to the children at the hospital as the club's community project.

It was announced that the East End 4-H council will have a cooked food sale March 14. A demonstration was given by Tracy Peterson of making a cake by conventional methods.

The next meeting will be held Wednesday.

VALLEY, WENDELL SURVIVE IN A-3 MEET

Semi-Finals Set Tonight; Declo, Shoshone Ousted

SHOSHONE, March 5 — Valley's Vikings and the Wendell Trojans stayed alive in the loser bracket of the fourth district class A-3 tournament Wednesday night. Valley dropped Shoshone 66-49 while Wendell just inched past the Declo Hornets 53-52. Action continues Thursday night with Wendell and Valley meeting at 6:45 p.m. and Glens Ferry and Kimberly meeting in the championship bracket semi-finals. The winner of the first game and loser of the second will meet in a single game Friday with the championship slated for Saturday.

Hole-in-One

Clyde Thompson, golf pro at the Twin Falls municipal golf course, started the 1964 golf season with a bang Wednesday when he dropped a hole-in-one into the number six cup of the Blue Lakes Country club golf course.

Litz Gives up Amateur Title Honors Hope

NEW YORK, March 5 — Tommy Litz has given up the chance for world-wide amateur honors in figure skating for the opportunity to perform before large audiences.

Litz, 18, of Hershey, Pa., turned professional Wednesday, joining a touring ice show Ice Capades as a featured performer.

The recent high school graduate finished sixth in the 1964 Olympics after being rated second in the free skating phase of the event and sixth in the world championships following a first-place rating for free skating.

Free skating, however, counts 40 per cent toward the title with 60 per cent going to compulsory figures.

"I don't think the compulsory figures really prove anything," Litz said Wednesday.

"I don't know why they count more in amateur skating, and I think I can do that as a professional. I won't have to practice figures five hours a day."

"With the show I can practice three or four hours a day on free skating. Besides, I like to skate before big audiences, and there are only two or three chances a year in amateur competition to show what you can do."

Orioles' Late Outfielder Is Fined \$300

MIAMI, March 5 — Willie Kirkland strolled into Baltimore's training camp Wednesday and walked head-on into a \$300 fine from Manager Hank Bauer—\$100 for each day of his absence without leave.

Kirkland, acquired from Cleveland last December in exchange for Al Smith, said he was surprised by the fine, which greeted him on his first day as an Oriole.

The 30-year-old outfielder said he was confused by the club's misinterpreted spring training instructions.

"To my way of thinking, that's a lame excuse," Bauer declared. "Willie has been playing big league baseball for seven years. He knows better than that. If he shows me that he wants to play for Baltimore and has a good year, I might give him the money back at the end of the season."

"I guess I just goofed," admitted Kirkland, who telephoned Bauer collect in the wee hours Wednesday morning to advise his new manager that his plane from Detroit was grounded by fog.

Thomas Archery Wins Another

Thomas Archery darted to another victory in the Archery league last week to place them on the top of the list over R and R Cafe by seven matches.

Thomas Archery took its match over Banner Furniture with three wins to Banner's one loss. They also topped the high handicap series with 1,364 points.

Second place R and R Cafe dropped its match to cellar-holding Hopkins Electric. Hopkins had three wins to R and R's one loss. This loss dropped R and R Cafe farther behind first place Thomas Archery and brought it closer to third place Wendell Department store.

In the third match of the week Farmers Market skunked Wendell Department store 4-0. Farmers Market is trailing in fifth place, three matches behind fourth place Banner Furniture and three matches ahead of last place Hopkins Electric.

Banner Furniture shot the high scratch series, 1010, and the high handicap game of 460. The individual men's high series was topped by Lowell Jagels with 296 and Clara Jagels topped the individual women's high series with 215.

INJURES FINGER

MESA, Ariz., March 5 — Shortstop Andre Rodgers suffered a spiked middle finger on his left hand in the Chicago Cubs' first intrasquad competition of the spring training season Wednesday.

Valley's Vikings and the Wendell Trojans stayed alive in the loser bracket of the fourth district class A-3 tournament Wednesday night. Valley dropped Shoshone 66-49 while Wendell just inched past the Declo Hornets 53-52. Action continues Thursday night with Wendell and Valley meeting at 6:45 p.m. and Glens Ferry and Kimberly meeting in the championship bracket semi-finals. The winner of the first game and loser of the second will meet in a single game Friday with the championship slated for Saturday.

The Wendell victory over Declo was even closer than the score indicated as the Hornets' Mel Darrington had a pressure-packed one-and-one free throw situation with 10 seconds remaining. Darrington, who led the Hornets with 12 points, saw his first attempt bounce away and with it went the Declo title hopes.

The score was tied 13 times and the lead changed hands 24 times in the hectic battle. Declo went in front 13-11 in the first quarter and the teams were tied at 22-22 at halftime.

In the third quarter the taller Trojans moved in front 38-32 but early in the fourth quarter Declo, putting four men in double figures, came back and with four minutes left in the game the Hornets held a two-point edge.

From then on Wendell just managed to keep its head above water and escape with the victory.

Valley, surprised by Glens Ferry last week-end, bombed the Shoshone Indians with 24 points in the second quarter and was coasting from then on.

Valley posted a 16-8 first quarter lead and then roared into a 40-20 intermission bulge. Both teams went to the benches after that.

In a junior varsity tournament game, Shoshone dropped Glens Ferry 69-49. Jayvee action leads off Thursday's session with Declo meeting Wendell at 6 p.m.

IC4A Track Meet to Host Eight Champs

NEW YORK, March 5 — The number of defending champions in Saturday's IC4A track meet in Madison Square Garden jumped to eight Wednesday with the announcements that Gary Gubner, New York University, Aggrey Awori, Harvard, and Noel Carroll, Villanova, would compete.

Harvard, Villanova and Navy are the three top favorites for the team championships and the return of Awori, who could score points in the 60-yard dash, hurdles and broad jump, and Carroll, collegiate king a year ago in the 1,000-yard run, strengthen two of the rivals.

Gubner, who hasn't been beaten in the shot put in the Garden in the past three years, twisted his right knee in the Knights of Columbus meet 12 days ago and has been idle since. He will compete Saturday without practice but expects to hit 60 feet.

Awori, a native of Uganda, became available when it was discovered that an examination which would have kept him at Cambridge had been posted for Saturday in error. He won the hurdles a year ago and was second in the dash.

Carroll suffered a slight chafey horse 12 days while playing in a pick-up basketball game but has fully recovered.

Briggs Is Named 1964 College Basketball Player of the Year

NEW YORK, March 5 (AP)—Gary Briggs, the 6-foot, 8-inch All-America at Ohio State who reeled off six successive performances of 40 points and up, was named the college basketball player of the year for 1964 by the Associated Press Wednesday. The Buckeye star gained the distinction by a narrow margin over Cortis Nash of Kentucky's Southeastern conference champions from the 371 sports writers and broadcasters who chose the AP's 1964 All-America team. Briggs collected 215 firsts and 62 seconds in the annual balloting for the All-America. On the basis of five points for a first and two points for a second, this gave the Big Ten star from Jamestown, O., a total of 1,199 points.

Nash, a native of Lake Charles, La., whose family now lives in Leominster, Mass., was close behind with 207 firsts and 62 seconds for 1,159 points.

It was the closest finish in the four years that The Associated Press has named a player of the year and returns the honor to the school where Jerry Lucas won it in 1961 and 1962. Art Heyman, Duke, won last season.

Walt Hazzard, who led the top-ranked UCLA Bruins to the Big Six title, finished third in the voting with 195 firsts and 1,087 points over all. Then came Bill Bradley, Princeton, with a 783 total and Dave Stallworth, Wichita, with 765. Bradley and Stallworth each won 123 firsts.

Briggs, Nash, Hazzard, Bradley and Stallworth made the first All-America team.

Second team honors went to Jeff Mullins, Duke, Gaze Russell, Michigan, Fred Hetzel, Davidson, Mel Collins, Oregon State and Ron Bonham, Cincinnati.

On the third team were Howard Komives, Bowling Green, Paul Silas, Creighton, Bill Buntin, Michigan, Barry Kramer, NYU and Jim Barnes, Texas Western.

Bonham and Kramer made the 1963 first team as Juniors, like Briggs, but failed to repeat.

McMahon Signs With Indians

TUCSON, Ariz., March 5 (AP)—Pitcher Don McMahon, who had been holding out for more money, came to terms with the Cleveland Indians Wednesday.

His salary wasn't announced, but it was believed to be about \$20,000, several thousand less than in 1963.

The Indians acquired McMahon from the Houston Colt .45s on a waiver deal last fall.

MURTAUGH NIPS OAKLEY IN LAST SECOND

Wright's Field Goal Nets 45-44 Win; Castleford, Hansen Notch Victories

BURLEY, March 5.—A soft jump shot from the foul line with four minutes left by Doug Wright hoisted the Murtaugh Red Devils to a rousing 45-44 victory over the Oakley Hornets in what should prove the pivotal game of the sixth district class A-4 basketball tournament. Due to the round robin schedule of the tournament Murtaugh's victory gave it the inside position for the championship but the Red Devils must beat Rockland Thursday night to sack it up. While that game stole the spotlight, it didn't have all the action. The Castleford Wolves extinguished Rockland's title hopes with a tight 49-48 victory and Hansen dumped the Raft River Trojans into the cellar with a 62-42 victory.

"I Love It," Says Clay in U.N. Visit

UNITED NATIONS, N. Y., March 5 (AP)—Cassius M. Clay visited the United Nations Wednesday and said, "Oh, I love it." The world heavyweight boxing champion explained that he came to this diplomatic capital because "I love to meet all the people from all over the world." "I'm really enjoying on being the mayor of New York," Clay said. "The people are really shook up and they look at me as if I was a messenger or prophet or something." He said now that he was champion his main goal is to see 30 million Negroes have freedom, justice and equality in the United States. He described himself as a Moslem. He objects to the term "black Muslims" and to American Negro desecration of Islam.

Liston, IRS Fail to Agree On Fight Loot

WASHINGTON, March 5 (AP)—Sonny Liston tried Wednesday to get the internal revenue service to increase his immediate take-home pay, but he said agreement was reached only on round rules for further conferences.

Liston Calls Clay Average Lucky Guy

DENVER, March 5 (AP)—The old champion called the new champion "just an average guy and most of all, has a lot of luck with him." It was Sonny Liston talking about the man to whom he lost his heavyweight boxing title, Cassius Clay.

Kenya's Muslims Invite Clay

NAIROBI, Kenya, March 5 (AP)—Kenya's Muslims have invited world heavyweight champion Cassius Clay to visit Kenya within the next two months.

He said he is leaving on a world tour in a month or two and may be gone for a year. That was his answer when asked when he would fight some exhibitions on the world tour.

He said he planned to visit Ghana, Nigeria, Egypt, Turkey, Pakistan, Rome and the Moslem holy city of Mecca, in Saudi Arabia.

"I've been invited by the ambassadors of various countries," he added. If he expected to meet Pope Paul VI in Rome, Clay replied, "I would love to meet him."

Asked if he would like to meet U.S. Secretary-General U. Thant, he said "I'd like to meet all of 'em." He did not meet Thant.

He said things were arranged so "I can't meet them and don't know whether they can meet me or not."

IRS officials declined to say whether they agreed to release any of the more than 2.7 million dollars which was tied up by tax liens filed after Liston lost the heavyweight title to Cassius Clay. That involves private business of the taxpayer, they explained.

Liston told Bob Bowls, Denver Post sports writer, in a copy-righted interview that he would like to meet Clay again. "Just as soon as my arm gets well and I can give it a test."

"The ex-champion, who makes his home in Denver, said Clay has a weakness that would be an opponent like Floyd Patterson—also an ex-titleholder—nail him."

"He pulls back when you punch at him," Liston said. "He does not duck them—he goes straight back instead of ducking."

"A guy like Patterson leaps in and fights."

Liston said if he does fight Clay again, "I wouldn't change my style. I'd just try to catch him in a corner where he could not get away."

The vice president of the Central Council of Kenya Muslims, Juma Mponda, said he had written to Clay asking him to extend his proposed visit to the Supreme Council of Muslims in Cairo to include a Kenya tour.

In the Daily Nation, published in Nairobi, the general secretary of the central council of Kenya Muslims, Osman Amber, was quoted as saying:

Tickets for the district A-1 basketball game in Twin Falls Friday night are available at Olson's Sports Center, Valley Sporting Goods and the Rogerson coffee shop, announces Bruin athletic director Paul Ostyn.

Giants Trade Modzelewski To Browns

NEW YORK, March 5 (AP)—The New York Giants traded defensive tackle Dick Modzelewski to the Cleveland Browns Wednesday for pass-catching specialist Bobby Crespino, reducing their once fearsome foursome to a lonesome one.

Defensive end Jim Katcavage became the only remaining member of the tough defensive quartet of Roosevelt Orier, Andy Robustelli, Modzelewski and Katcavage which terrorized National Football league rivals between 1956 and 1962 and led the Giants to five Eastern Division championships.

Orier, a 6-foot, 5-inch, 290-pound defensive tackle, was traded to the Los Angeles Rams last July 8 for John Lovetere, a 6-foot, 4-inch tackle weighing 285 pounds and assistant coach, retired recently to devote his full time to coaching.

BRADENTON, Fla., March 5 (AP)—The Kansas City Athletics counted four holdouts and four missing players Wednesday as they held their first full scale spring training workout.

Boston's Rally Ties Game 4-4

TORONTO, March 5 (AP)—Red Kelly's goal with 21 seconds left climaxed a three-goal rally in the third period and gave Toronto a 4-4 tie with Boston in the National Hockey league Wednesday night.

Kelly's goal came about eight minutes after Ron Stewart started the Maple Leafs' comeback with his second goal.

Bullets' Win Is Marred by Fist Fight

BALTIMORE, March 5 (AP)—The Baltimore Bullets defeated the New York Knickerbockers 115-108 Wednesday night in a National Basketball association game marred by a fist fight between Tom Hoover and Terry Dischinger.

The battle broke out under the basket after Dischinger scored for Baltimore to put the Bullets in front 91-79 with 9:14 remaining in the game.

After both players were ejected, Hoover brushed against a spectator standing near the court. The muscular Knickerbocker, who was involved in a fight earlier this season with Don Nelson, only 6 of 21.

Russians Will Win, Says Soviet Coach

MOSCOW, March 5 (AP)—The veteran coach of the Soviet track and field team, Gabriel Korobkov, predicted Wednesday that the Russians will be so powerful at Tokyo that they will win the 1964 Olympic Games "regardless of the competition. Our athletes have been training for five months."

Korobkov said in an article in Sovetskoy Sport, "and some of them have been training since the end of last season."

He said he expected the strongest challenge to come from the United States, Britain and the combined German team, but he added:

"The Soviet athletes can win in the Olympics under any circumstances."

Korobkov said Russian shot putters have been getting in shape by doing knee bends with quarter-ton weights strapped across their shoulders. Also, he added, they have been lifting weights of 350 to 375 pounds up to their chests and pressing 400 pounds while lying on their backs.

He said he had one shot-putter, Viktor Lipanov, whom he expects to reach 65 feet, 7 inches, and three others who will do 62 feet and better. Bob Nieder of the United States, won the shot at the 1960 Olympics with 64 feet, 8.3 inches.

Russian middle distance runners have been getting in shape. The Soviet coach said, by running 800 to 450 miles this winter. While he is confident of winning performances in the distance and field events, Korobkov doesn't expect the Russians to do much in the sprints, a specialty usually dominated by the Americans.

"It is clear that with last year's results, our sprinters, for instance, would simply be wasting their time going to Tokyo," he added. He apparently was referring to the Russian failures in the annual meet with the United States.

Major League Club to Move To Atlanta

ATLANTA, March 5 (AP)—A major league baseball team has definitely committed itself to move to Atlanta next year if a stadium is completed or is in reasonable playing condition.

Allen Jr. said Wednesday. Allen said he could not identify the team but called the verbal agreement "the firmest commitment that we've ever had."

The major said he considers a "verbal contract" has been executed, virtually assuring Atlanta's long-sought entry into major league sports in 1966.

Allen is expected to outline the negotiations with the major league team Friday during a public hearing on plans for building a 15 million dollar stadium.

It is believed that the baseball team in question has already received the consent of the other major league club owners to transfer to Atlanta in 1965.

The Atlanta Constitution said it was learned that this club is regarded as one of the major leagues' more desirable franchises.

Allen said the club owners have authorized him to state Friday that "they will sign a contract moving their franchise to Atlanta immediately following the letting of a contract for construction of a stadium that will be completed or in reasonable playing condition by the spring of 1965."

Attacks in N.Y. Classes Are Reported

NEW YORK, March 5 (U)—The president of the union which represents New York City public school teachers says there is an average of one attack a day by pupils on teachers and the board of education is hiding the violence behind a "blackboard curtain."

Charles Cogen, president of the AFL-CIO United Federation of Teachers, made the accusation Wednesday after the fourth attack in a week became publicly known.

Cogen said he believes that "in many cases incidents are not reported, the teachers are intimidated and the principals are likewise discouraged from making reports."

"A board of education spokesman declined to comment, but said Cogen's charges would be discussed at a meeting between Cogen and Dr. Calvin E. Gross, superintendent of schools."

Cogen said he will recommend that "principals be given freedom of action in suspending unruly pupils."

"We will not go along with the board's whitewash," he said.

"We are asking all teachers to report all incidents and we will keep the public informed."

Hearing Set March 16 on City Budget

BURLEY, March 5—The city budget hearing will be held at 8 p.m. March 16 at the city hall, announced Dwayne Jensen, city clerk.

Two applications have been received by city council for manager of the municipal golf course. Letters supporting each candidate were read at the Monday evening council meeting.

Action on the appointment was delayed until March 16, in an effort to receive further information from all interested persons.

False arrest insurance was purchased from the Bell agency, Rupert, covering Burley city police and police reserve.

The third and final reading was approved on rates for the city of Burley with Bonneville power administration, with rates effective March 10.

Occidental avenue will be opened between 19th and 20th streets, and 19th street will be made a two-way street, it was announced.

MacArthur Faces Surgery For Jaundice

WASHINGTON, March 5 (U)—Gen. Douglas MacArthur has "obstructive jaundice of unknown origin" and exploratory abdominal surgery will be performed Friday morning to try to determine the cause, Walter Reed army hospital announced today.

A statement from the hospital where the 64-year-old warrior has been undergoing tests since Monday, reported:

"Diagnostic tests on Gen. MacArthur have been completed. It has been determined that he has an obstructive jaundice of unknown origin."

Drunken Hogs Stolen by Wily Culprits

MONTGOMERY, Ala., March 5 (U)—Alabama farmers have been advised to be suspicious if their hogs stagger around in a peculiar manner.

State Agriculture Commissioner A. W. Todd issued the warning Wednesday, saying a theft ring broken up recently had been feeding hogs loaves of bread soaked in bootleg whiskey.

When the hogs got too drunk to stand, Todd said, "they were loaded into the back of cars and trucks without squealing or commotion."

Mass Celebrated For J. Mendiola

GOODING, March 5—Rosary was recited for John C. Mendiola at 8 p.m. Tuesday in Thompson chapel and requiem high mass was celebrated at 10:30 a.m. Wednesday in St. Elizabeth's Catholic church, with the Rev. William Ordway as celebrant.

The St. Elizabeth's choir provided music.

Active pallbearers were Joe Pavkov, Nick Sabala, Philip Golechka, Forrest Wright, Rupert Golechka and Richard Macestas. Honorary pallbearers included E. J. Francis, Julius Schmidt, Leo Rice, Luciano Uris, Joe Golechka and Candido Floriada.

Last rites were held at Elmwood cemetery.

BUHL, March 5—Traditional Holy week services marking the Easter holidays season, sponsored annually by the Buhl Ministerial association, are announced.

A community service will be held at 8 p.m. Palm Sunday, March 22, at the Free Will Baptist church with the Rev. Warren McConnell, pastor of the First Methodist church, as speaker.

A community service will be held 8 p.m. Good Friday, March 27, at the Church of the Nazarene with the Rev. Delmar M. Talley, pastor of the First Chris-

REV. CLAY COURSEY will be the speaker for a revival at the First Baptist church, Kimberly, to be held at 8 p.m. Sunday and continuing through Sunday, March 22. He moved to Gooding in August, 1963.

Revival to Be Conducted At Kimberly

KIMBERLY, March 5—The Rev. Clay Coursey, pastor at Oregon Street Baptist Mission church, Gooding, will be speaker at a revival at the First Baptist church, Kimberly. Services will begin at 8 p.m. Sunday and continue nightly at 8 p.m. through March 22.

The Rev. Mr. Coursey was born near Paris, Tex. He began to preach in January, 1937, in Lubbock, Tex. He attended Howard Payne college, Brownwood, Tex., and Wayland Baptist college, Plainview, Tex., where he was graduated with a B.A. degree in August, 1963.

He moved to Gooding in August, 1963, where he has been pastor since September 15.

U.S. Wheat Under Price Support Dips

WASHINGTON, March 5 (U)—The agriculture department reported today that the quantity of wheat from the previous year's crop still remaining under price support on Feb. 15 was the smallest in 11 years.

The amount of 1963 wheat still stored under support was 105.8 million bushels, compared with 276 million of 1962-crop wheat stored under supports a year earlier.

This reduction reflects largely an increased demand for wheat abroad, including the Soviet Union. The department said that loans on 65.6 million bushels of 1963 wheat had been paid by growers and the grain redeemed.

In addition to the wheat stored under supports, the department itself owned about 443 million bushels late in February. This wheat was accumulated under support operations in previous years.

Rites Honor Wendell Man

WENDELL, March 5—Funeral services for James P. Higgenbotham were conducted at 2 p.m. Tuesday at the Wendell Methodist church by the Rev. Austin G. Rugger.

Prelude and postlude were played by Mrs. Henry J. Barton who also accompanied Mrs. Faith Eston and Mrs. W. W. Kelley, who sang. Flowers were arranged by Mrs. Frank Smith and Mrs. Maudie Mink.

Active pallbearers were D. A. Brown, John Jackson, John Wike, Clyde Petersen, Floyd Lancaster and Grant Zollinger. Honorary pallbearers were Paul D. Marlow, Paul Anderson, Otto Lamke, Albert Lancaster, Bert Strong, E. E. Parr, Burrell Henderson, Gene Lancaster, Carl Geissler and Karl Taylor.

Military rites at the Wendell cemetery were directed by Clyde Petersen, commander of Wendell Legion post No. 41, and Muncie Mink, post adjutant.

J. A. Smith, Willard Wert, Ernest Fyfe and Joe Sprenger served as the color bearers and color guard.

Denton Adams was commander of the firing squad which included George Benson, Harry Frith, Edward Novacek, Howard Powell and Cornell Lehman.

Taps was sounded by Phyllis Dixon.

Heyburn Plans Oration Event

HEYBURN, March 5—The annual oration contest, sponsored by the Modern Woodmen of America lodge for grades five through eight will be held at 10:45 a.m. Friday in the junior high school auditorium, reports Lind Christensen, principal.

Topic for the oration is "Free enterprise in America." Christensen said each speech will be between three and five minutes long. Winners will receive trophies and gold pins.

Gerald L. Lowe, Twin Falls, local lodge representative, will present the awards. Brian Baguley, son of Mr. and Mrs. E. A. Baguley, was last year's winner.

The public is welcome to attend the event Friday morning.

Man church, as speaker.

Community sunrise services will be held at 6 a.m. Easter Sunday, March 29, at the First Methodist church with the Rev. Dale K. Olson, pastor of the First Presbyterian church, delivering the sermon.

Malaysian Conference Collapses

BANGKOK, Thailand, March 5 (U)—Efforts to solve the Malaysian crisis collapsed tonight for the second time in 24 hours as Malaysia, Indonesia and the Philippines failed to settle the question of withdrawal of Indonesian guerrillas from Malaysian Borneo.

Word that no agreement had been reached in efforts to find a solution came from Philippine Foreign Secretary Salvador P. Lopez who acted as a middleman between Foreign Minister Subandrio of Indonesia and Malaysian Deputy Prime Minister Abdul Razak for most of the day.

Lopez told newsmen after a second meeting with Razak that "the matter stands as is or it was when we parted last night."

The conference broke up Wednesday night over differences between the two countries on the cease-fire U. S. Atty. Gen. Robert F. Kennedy arranged in the guerrilla war along the Malaysia-Indonesia frontier on Borneo.

Malaysia demanded the withdrawal of the estimated 400 Indonesian irregulars from its Borneo states of Sabah and Sarawak as the first order of business. Indonesia said any withdrawal must be accompanied by a settlement of the political dispute.

The Malaysian delegation appeared to have softened its position on withdrawal of the guerrillas.

Among the political issues is an Indonesian demand for a plebiscite in Sabah and Sarawak

Buhl Drops 6 Teachers, Cuts Curriculum

BUHL, March 5—Because the recent five mill levy election did not pass, trustees of the Buhl school district have announced a reduction in the school program for the 1964-65 year which is necessary to meet the district's \$40,000 deficit and to fit anticipated revenue for the coming year.

Six school teachers were released, two fulltime teachers from the elementary school, one fulltime teacher from the junior high school, and three fulltime teachers from the senior high school.

The curriculum in the elementary school will no longer offer elementary vocal music, a transition room, or a remedial or handicapped room. In the junior high school loads will be increased, and/or some subjects

Vows Fight

WASHINGTON, March 5 (U)—Rep. Ralph Harding, D. Idaho, says he will continue to oppose Utah Power and Light company's request for a rate application in Idaho, despite the possibility it will be defended in congress.

He said Utah Power in the last two days has contacted "at least two congressmen from neighboring states" asking them to speak in its behalf.

to determine whether their people want to be part of the Malaysian federation, formed last September out of former British territories.

Indonesia's President Sukarno has pursued a "crush Malaysia" campaign of guerrilla warfare and economic boycott.

taught on an alternate day basis. Exact determination of these subjects has not been made at this time, trustees reported.

In the senior high school vocational agriculture was eliminated, as well as one teacher in the field of business education (shorthand, office practice, etc.), and one teacher in the field of social studies (world history).

It was pointed out by the trustees that the loss of three teachers from the senior high school will mean that the 360 students formerly under these instructors must be absorbed in other classes.

This necessitates the elimination of all study halls, the establishment of a five-period day, and the restriction of student enrollment to four or at the most five subjects, enrollment being dependent upon courses previously taken, choice of subjects and/or schedule conflicts. For these reasons it is highly improbable that all students can be enrolled in five subjects.

In other areas trustees cut seventh grade athletics from the

junior high school and wrestling, golf and bowling from the athletic program of the senior high school.

One bus will be eliminated and transportation will be rerouted. Wherever possible buses will travel primarily on a north-south basis, with students desiring to ride, meeting the buses.

In making these cuts trustees pointed out that every effort will be made to maintain the deficit spending was not considered, they asserted.

Farmers Home Administration Loans Reported

REXBURG, March 5 (U)—Farmers' home administration and its predecessor agencies have loaned 142 million dollars to Idaho farmers over the past 40 years.

This report was given the Rexburg Rotary club by H. Max Hanson, state director of the FHLA.

Hanson said losses during the period were only 1.5 per cent of the total amount loaned although "we are extending credit on what is termed a 'high risk' basis."

Three Cited For Mishaps At Shoshone

SHOSHONE, March 5—Three drivers were cited by State Patrolman William Van Dyke Monday as the result of two separate accidents.

Charles Taylor, Jr., Reno, Nev., was cited for violation of the basic rule after the 1973 Volkswagen he was driving ran into a stalled 1961 Chevrolet pickup truck, whose driver, Manuel Gogonola, was cited for failure to have lights on while stalled on a major highway.

The mishap occurred at 7:15 p.m. Monday three and three-fourths miles north of here on highway 93. Gogonola told Patrolman Van Dyke the tail light had been cut out by ice and he had turned off the headlights while trying to start the truck. Damage was estimated at \$500 to the Volkswagen and there was minor damage to the truck.

Mrs. Everline Cody, Jerome, was cited for failure to yield the right of way after a mishap at 3:15 p.m. Monday five miles north of here on highway 93 involving three pickup trucks. Patrolman Van Dyke said Mrs. Cody had stopped for a stop sign and was making a left turn onto highway 93 when Howard Crow, Jerome, who was headed south, was making a right turn. The Cody truck collided with a third truck driven by Leighton Ines. The impact spun the Cody truck around into the Crow vehicle.

The Ines truck landed in the borrow pit on the opposite side of the road. Damage was estimated at \$100 to the Ines truck, \$350 to the Cody vehicle and only minor damage to the Crow truck.

Gem General Fund Deficit Decreases

BOISE, March 5 (AP)—Idaho's general fund deficit is down from 15.8 million dollars a month ago to 12.8 million dollars as of Feb. 29.

But it is 2.5 million dollars higher than the 10.5 million dollar deficit at this time a year ago.

The figures were released Tuesday in a joint report issued by State Treasurer Marjorie Moon and Auditor Joe R. Williams. Miss Moon said \$8,200,000 in tax anticipation notes remain outstanding compared with \$10,960,000 at this time last year. Miss Moon redeemed \$3.5 million dollars worth of the notes last month.

The report showed a treasurer's balance of \$2,987,353 in the red, there were \$1,656,298 in outstanding warrants and the auditor's balance was \$4,623,651 in the red. There was \$58,945 in the tax note redemption fund.

Utility Asserts Columbia Pact Is 'Deficient'

SEATTLE, March 5 (AP)—The Washington Public Utility Districts' association says the proposed Interstate compact is "deficient" and not in the state's best interests.

Seven changes should be made, including the removal of Nevada and Utah as participants because they are not directly involved in the Columbia's drainage area. Howard Cannon, association president, said.

He also charged that compact supporters are using talk about the possible diversion of water to California as a "red herring" to stampede ratification of the pact.

Lucerne Grange To Have Guests

BUHL, March 5—Members of Deep Creek Grange will be guests and present an exchange program at the regular Lucerne Grange meeting at 8 p.m. Friday. All members of Lucerne Grange are asked to furnish sandwiches for this meet.

Lucerne Grange observed a Leap year party including a potluck dinner and games Saturday evening at the Grange hall. The entertainment committee with Mrs. Leonard Vitek had charge of arrangements. Mrs. Arnold Svanears, home economics chairman and members of her committee had charge of the dinner.

Mrs. A. A. King was selected as the candidate to represent the Grange in the best cook contest, an annual event sponsored by local electrical appliance dealers.

GOP Women Set Tea at Wendell

WENDELL, March 5—Tentative plans were made for a tea for the May meeting when the Republican women met Monday at the civic club rooms.

Opposition to the civil rights bill in its present form was expressed by members and Sen. Les Jordan and Sen. Frank Church will be informed of the stand taken.

It was noted that registration for the primary election opened March 2 and will close at 9 p.m. Aug. 1. For the general election registration will open Aug. 8 and will close at 9 p.m. Oct. 31. Precinct committee women were urged to start their work immediately.

GARYVASS AREA
HAGBERN, March 5—Heart fund workers are canvassing the Hagberner area this week, according to Mrs. Robert Gaston, valley chairman.

Unemployables Will Grow as Idaho Problem

BY RICHARD CHARNOCK
BOISE, March 5 (AP)—The index between jobs at the Republicans, Sen. Gaylord Nelson touched on a theme of growing importance to Idaho when he spoke at the Pocatello Jefferson-Jackson day dinner.

The Wisconsin Democrat told some 300 of the party faithful at the fund-raising affair that perhaps the nation's most serious domestic problem is that of the unemployables.

He noted that automation to-day can wipe out an entire skill with introduction of a "single piece of machinery in a plant."

He said the rate of high school dropouts is increasing. And he spoke of the aging who must live on inadequate incomes.

"These," Nelson said, "are serious weaknesses in the system we cherish. It is time to get over our smugness about America and begin solving some of these problems."

"The days when a high school graduate could sustain a family on unskilled labor are gone," he said.

While Nelson had in mind particularly the unemployment problem of "Appalachia," Idahoans who heard him saw some parallels within their own state.

"I agree with him absolutely," said Public Instruction Supt. D. P. Engelking, noting that Idaho has a high school dropout problem and an exodus of young people from the state.

Although agriculture still is king in Idaho, increased efforts

are being made to attract industry to the state. Yet, with some notable exceptions such as Idaho State university's electronic school, technical training for industry is hard to come by.

In many cases, vocational education is confined to agriculture or to auto mechanics or similar skills. Preparation for work in technical industries generally is not readily available.

Engelking and other Idaho educators long have advocated a more comprehensive junior col-

lege program for the state, particularly in relation to training of industrial technicians.

At the next meeting of the state board of education on March 17, Engelking said he will present a plan for educational development in the state. While he hasn't yet unveiled this plan, it's expected to include some recommendations for vocational and technical education and for ways to curb the school dropout problem.

In addition to plans being for-

mulated in Engelking's department, there are several groups both public and private currently studying Idaho's manpower problems. Some federal funds are available, too, under the defense manpower training act.

As the state continues to grow and to seek additional industry, Senator Nelson's remarks about the great unsolved domestic problem of the unemployables will have increasing meaning to Idaho. Right now, many good jobs go begging because training personnel are not available in the state to fill them.

Many observers, Engelking among them, feel the time has come to step up planning to cope

with such problems before they get out of hand in Idaho. And they are mindful of yet another admonition of Nelson. He said that if the dropouts and the unskilled are denied the opportunity to "contribute" to the nation's growth there is the danger the nation eventually will "alienate" them from the system under which they live.

And to what political and economic ideology would they turn?

ELECTION PLANNED
WENDELL, March 6—The

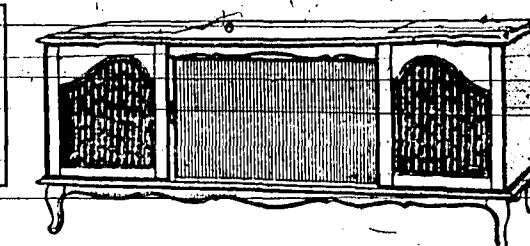

herly community Farm Bureau will meet at 8 p.m. Thursday at the Farm Bureau office. Officers will be elected.

Increase in Idaho Film Use Is Noted

BOISE, March 5 (AP)—Films distributed by the Idaho development of commerce and industry division were seen by more than two million persons in 1963, the agency reported Thursday.

John Ward, in charge of film promotional activities, said advance bookings indicate that from four to six million will view Idaho films this year.

The special value of these showings to Idaho, Ward said, is that all of the showings have been requested by people already interested in our state. Not one performer was scheduled "cold" of them were by invitation.

Many viewers after seeing one Idaho film wrote in requesting further showings for their own hometown or for organizations they belonged to in other states.

He said the department now has 74 prints of 28 different Idaho subjects.

Mrs. Whitaker's Funeral Is Held

BUHL, March 5—Funeral services for Mrs. Laura Mae-Roland Whitaker were held Wednesday in the Buhl First Christian church by the Rev. Delmar M. Talley.

Mr. and Mrs. Emory Woodruff sang a duet and Mrs. Blanch Smith was organist.

Palbearers were Carl Roland, Melvin Newlan, Roland Newlan, Ernest Roland, Aubrey Poindexter and Howard Sullivan.

Funeral rites were held at Buhl cemetery, under direction of Reynolds funeral home.

Mrs. Williams Honored at Rites

GOODING, March 5—Funeral services for Mrs. Essie S. Williams were conducted at 2 p. m. Tuesday at the Church of the Nazarene by the Rev. Lowell Henske.

Mr. and Mrs. Raymond Hendrix sang two songs. They were accompanied by Mrs. Henske.

Palbearers were Verne Royse, Percy Brown, William Petersen, Leo Bailey, James Birt, and the Rev. Earl Pounds.

Concluding rites were at Elmwood cemetery.

Visit Slated by Hagerman Lions

WENDELL, March 5—Wendell Lions made plans to visit the Hagerman Lions club March 23 when they met Monday night at the Motor Inn.

Charles Irton, president, appointed Charles Miller, Ben Morgan and himself to the nominating committee.

Members went to the home of Dr. M. E. Scheel for the program. Colored slides were shown and narrated by Stacy V. Gebhardt, Jerome, biologist for the state fish and game department.

Dinner Due

KING HILL, March 5—Mrs. C. E. Spence and Mrs. Robert Graham will be in charge of the St. Patrick's potluck dinner at the King Hill Grange hall at 7 p. m. Tuesday. All members who have birthday anniversaries in January, February, March and April will be honored.

A short business meeting will be held following the dinner.

RODEO LEADER ELECTED
DENVER, March 5 (AP)—Dale D. Smith, Chandler, Ariz., was elected Tuesday to his third term as president of the rodeo cowboys association.

Tot Goes Blind

BOWLING GREEN, S.C., March 5 (AP)—Next Monday Vickie Wray goes blind. The blonde tot, who will be 3 years old March 27, has lost one eye to cancer. Doctors tried to save the other, but treatments failed, and it will be removed at a hospital in Durham, N.C.

Vickie's plight attracted national attention last December. She's one of nine children of a 50-a-week textile worker and his wife.

M. Johnson Re-elected as Board Head

RICHFIELD, March 5—Mont A. Johnson was re-elected chairman of the Richfield village board at the reorganization meeting held Monday night.

The chairman appointed Charles T. Sluder, airport manager and streets and alleys commissioner; Erik Albert, well water commissioner; Edward Schlager, irrigation water supervisor; Lyle Piper, fire department commissioner. Law enforcement, recreation and municipal park, and dump grounds will be responsibilities of Chairman Johnson.

The village water fluoridation program was ordered discontinued. The program was instituted June 7, 1954.

Annual appropriation bill was enacted and a resolution adopted levying taxes for the fiscal year 1964. The levy is 38 mills for general fund, library fund, fire department fund, street lights, irrigation water, and well water system.

Beer licenses were approved for second quarter of 1964 for the Pheasant club.

Castleford Class Plans Reunion

CASTLEFORD, March 5—The Castleford high school graduating class of 1954 will hold its 10-year reunion at 3 p. m. July 11 at the R and R cafe.

A social hour and dance will follow at the VPW hall. A family picnic will be held at Buhl city park at 1:30 p. m. July 12.

Oleta (Derle) Hahn is the general chairman and correspondence. Carol (Mraz) Jones and Sally (Miller) Gulick are on the banquet committee; Sally (Miller) Gulick, pictures, are on the banquet committee; Barbara (Olsen) Finney, publicity; Shirley (Huffman) Kinyon and Janet (West) Burkhardt, picnic; Sally (Miller) Gulick, Barbara (Olsen) Finney and Oleta (Derle) Hahn, reunion book; Clara (King) Jagels and Janice (Brewer) Steigimier, awards; Carol (Mraz) Jones, entertainment.

GIRL NAMED
FILER, March 5 — Kathleen Kelley, daughter of Mrs. Mary Ann Kelley, Filer, has been elected president of Pine Hall, woman's residence at the University of Idaho, Moscow. She was a candidate for the weatherhead of Sigma Phi Upsilon. She is a freshman.

Burley Merchants Probe Problems of Shoplifting

BURLEY, March 5—There is a "known group of junior high school girls" who are shoplifting from local stores as a gang, several merchants reported at a meeting Tuesday morning of the Merchants Committee of the Burley Chamber of Commerce.

Their attitude, when accosted, according to the report, is "You have plenty so why should you worry if we get some of it?" or "It's figured in the cost of merchandise, so why not take advantage of it?"

The businessmen expressed the opinion that parents surely know when their children have something, especially jewelry, cosmetics and clothing, which does not belong to them. The merchants urged parents to make an effort to find out how these items were obtained and make the youths return them to the owner.

Farm Price Index Is Unchanged

BOISE, March 5 (AP)—The index of prices received by farmers in Idaho stood at 240 on Feb. 15, the U.S. department of agriculture reported Wednesday, unchanged from that a month earlier. But the index was down 13 points from that on Feb. 15, 1963.

In another report the department said commercial slaughter plants in Idaho produced 14,248,000 pounds of red meat during January, four per cent less than in January, last year.

It also was pointed out these young people are not the only ones practicing shoplifting, but that many adults also are involved.

As a means of apprehending the offenders, many of the merchants are installing hidden cameras which will photograph the act and the person committing it.

Karlton Brown, owner-manager of the local credit office, discussed bad credit risks with the merchants. Another meeting is planned early in April to work out final details on the problem.

A meeting will be called soon and the police judge, probate judge and district judge will be invited, as well as the prosecuting attorney and police chief, to discuss the matter with merchants.

Possibility of a long Christmas week-end closing on Saturday, Dec. 26, was discussed but tabled until merchants can talk with employees and neighboring communities as to their plans for that day.

Cleaning of streets and alleys

in the downtown area was discussed and it was decided the chamber committee for streets and alleys will meet with the city council March 16 and suggest ideas on the topic.

The same committee also will discuss with councilmen parking problems in the downtown area. Committee members are E. E. Brinegar, chairman; Judd Sedam, Keith Stoddard and B. F. Glodowski.

It was announced new holiday cards have been distributed to every business in Burley. Any businessman who was missed should contact the chamber of commerce and one will be sent to him. Mrs. Fred Anderson, secretary, stated.

Building Permits Noted by Bank

Sixteen building permits, with a valuation of \$74,970, were issued by the city of Twin Falls during February, according to figures compiled by the Twin Falls Bank and Trust company.

Permits for four new dwelling units, at a total cost of \$44,000, three new non-residential buildings for \$22,000—restrooms and nine permits for additions, alterations, or repairs, with expenditures estimated at \$8,970, completed the list.

BLM Leader Calls for 'Horse Sense'

BOISE, March 5 (AP)—An official of the bureau of land management says his agency needs more field work and less paper work, and more decisions on land use that make horse sense.

W. March, chief of the division of range and forest management, spoke at the second annual meeting of the BLM's Idaho state advisory board.

He said the agency needs more clear-cut, plain worded decisions that would eliminate questions by the landowner as to whether to accept or appeal.

"We need decisions that make horse sense," he said. "When we've been steeped in gobbledygook for 30 years it takes a while for the transition to horse sense."

March said timber sales in Idaho earned nearly \$750,000 in 1963. He said over eight million board feet were offered and never purchased but added that reforestation is lagging.

He said there was progress in range management, conservation and development and fire control.

March complained of lack of public support for fire control. He said 60 per cent of fires were man caused, adding: "Most of these were set by just plain people."

He said fire losses since 1955 total 1,358,966 acres with loss of \$2,188,700 in value and suppression costs of \$2,188,700.

Joe T. Fallini, BLM director in Idaho, told the 18-man board that they can play a bigger role in recommending policies on use, management, development and disposition of public lands.

Veterans May Borrow Cash On Insurance

BOISE, March 5 (Special)—Loren E. Kopan, Boise, director of the Boise Veterans administration center, announced Monday that Veterans holding permanent GI life insurance policies may borrow up to 94 per cent of their policies' cash surrender value for financial emergencies.

If the policy is surrendered for cash, all protection under the insurance ceases and cannot be renewed nor reinstated, Kopan said.

Annual interest on GI policy loans is charged at four per cent on the unpaid balance. If not paid, it is added to the loan principal and begins to draw interest, noted Kopan. He also said repayment of the principal on the loan may be made in amounts of five dollars, or any multiple thereof, and at any time before default in payment of premiums.

Lodge Says Draft Is 'Not Possible'

ROCHESTER, N. Y., March 5 (AP)—A draft for the Republican presidential nomination "would clearly be a most imperative call to duty," but is not possible, says Henry Cabot Lodge.

Lodge, U. S. ambassador to South Viet Nam, said in a letter from Saigon. "The situation here is such that I could not leave here in the near future."

The letter was sent to Lewis T. Connolly of the Rochester Draft Lodge committee who made it public Tuesday.

Lodge backers in New Hampshire are seeking a heavy write-in vote for him in that state's presidential primary Tuesday.

John Davis Lodge, brother of the ambassador, said Tuesday in Holyoke, Mass., that the outcome of the primary will help determine his brother's political plans.

Police Checking On T.F. Burglary

City police are investigating the burglary of Idaho-Best, Inc., 122 Fourth avenue south, which occurred sometime between 2 p.m. Monday and 7:30 a.m. Tuesday.

About 40 cents and a dozen rolls of hard candy were taken from a drawer in the main office.

Entry was gained through a window opening on the alley from the basement of the building.

The burglary was reported by Bud Snyder, 380 Ostrander street north. It was noted the window had been unlocked for about three years.

NIXON NEEDLES BRITISH NEW YORK, March 5 (AP)—Former Vice President Richard M. Nixon Tuesday assailed the British firm that sold buses to communist Cuba. "If they sell buses to Castro, then they can't sell autos here," he said.

The Lenten Story

BY WOODI ISHMAEL

THY WILL BE DONE

Leaving the upper room, where the Last Supper was held, Jesus went with His disciples to a country place called Gethsemani.

"Sit down here, while I go over yonder and pray," He said to them.

Then, taking Peter and James and John with Him, He went into a garden and, as Matthew tells us, "began to be saddened and exceedingly troubled."

"My soul is sad even unto death," He said to the three Apostles with Him.

"Wait here and watch with Me."

Going forward, He fell on His face, praying:

"Father, if it is possible, let this cup pass from Me; yet not My will but Thy will be done." (Matthew XXVI:39)

More People Take Refunds Of Tax in Savings Bonds

"More Idaho federal taxpayers have taken U.S. savings bonds for their income tax refund on 1963 earnings than a year ago," District Chairman Guy H. Shearer, said today as he reported January sales.

"The savings bonds option, introduced last year, is in addition to long standing options of taking tax refunds in cash or applying to next year's tax," he said.

Taxpayers taking 1962 tax refunds in savings bonds swelled 1963 sales by 19.3 million dollars and raised by 237,455 the number of bonds issued.

"This year, treasury expects this option will further increase savings bonds sales and encourage more people to develop regular savings habits. Idaho residents choosing refunds in U.S. savings bonds should boost state sales through April.

"Sales started out good in January with \$762,085, for 10.2 per cent of the \$7,500,000 1964 Idaho quota.

"District sales were \$74,250," the chairman concluded.

Sales for district 3, Blaine county, chairmen, 1964 sales quota and sales for January are: Blaine, Everett B. Taylor, \$35,000 and \$2,188; Camas, Charles Scoggins, \$20,000, \$1,808; Cassia, Gerald V. Anderson, \$100,000, and \$4,954; Gooding, Adam Schubert, Jr., \$50,000 and \$4,354; Jerome, C. E. Harder, \$75,000 and \$13,739; Lincoln D. (Sid) Smith, \$30,000 and \$1,916; Minidoka, Robert M. Reed, \$115,000 and \$10,803, and Twin Falls, Patrick J. Hamilton, \$375,000 and \$30,620.

Also in Magic Valley, but not in district three is part of Elmore county, which has Frank M. Ireton as sales chairman, \$380,000 quota for 1964 and \$62,220 sales during January. Elmore county is in district four, with R. Roland Towle as district chairman.

Service Held for Andrew T. Flynn

YOUR BIRTHDAY and HOROSCOPE

THURSDAY, March 5—Born today, you may be inclined to be more happy-go-lucky than is good for you. Gifted with many latent talents, you could nevertheless easily become one of those people who swings along at a devil-may-care rate, never stopping to seriously consider where your future lies. You have something going for you, however, that should keep you from wasting too many of your assets—a natural executive ability with a built-in "know-how" for getting others to work well for you.

Friendly and warm hearted, you quickly turn new acquaintances into bosom pals—too quickly perhaps at times. Your fun-loving nature and your easy-going response to others makes you a favorite almost anywhere you go. Take care, however, that wherever you go you maintain a measure of dignity.

You women are apt to be easily taken in by flattery, and you men are apt to flatter too easily and too often in order to get your own way. Discrimination is advised for you women; restraint for you men. And both of you must guard against making a decision for marriage on the purely surface appeals of the one under consideration.

Among those who were born on this date are: Rex Harrison, actor; Frank Norris, author; Heiter Villa-Lobos, noted Brazilian composer.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Friday, March 6

PISCES (Feb. 20-March 20)—A good buying and selling day. Look after your profit—but not to the disadvantage of others. Watch calendar of advertising.

ARIES (March 21-April 20)—See that any unfinished work is completed before leaving your place of employment. Begin new projects tomorrow.

TAURUS (April 21-May 21)—Affairs on the home front, if attended to promptly, should culminate in decisions for change. Don't rush matters, however.

GEMINI (May 22-June 21)—Catch up on details neglected through the week. You'll want to be free of nagging worry this weekend!

CANCER (June 22-July 23)—You should be able to solve employment problems easily if you seek to reconcile your views with those of higher-ups.

LEO (July 24-Aug. 23)—Best for Leo to keep to routine today. See that all loose ends are tied up tight as you move from chore to chore.

VIRGO (Aug. 24-Sept. 23)—Put your own house in order before turning your attention to the critical appraisal of another's circumstances.

LIBRA (Sept. 24-Oct. 23)—This is a day for practical, down-to-earth measures. Keep your fancy under strict control and you will solve difficulties faster.

SCORPIO (Oct. 24-Nov. 22)—Where friends offer aid accept it. You can return the favor later, but just now you need whatever support you can get.

SAGITTARIUS (Nov. 23-Dec. 22)—Look before you leap! Consider all suggestions for change from every angle. Not every change is for the better.

CAPRICORN (Dec. 23-Jan. 20)—Put leisure hours to work for you. Put the finishing touches on home projects; make plans for a family-type weekend.

AQUARIUS (Jan. 21-Feb. 19)—A day when a minor health upset could cause a change in long-held plans. If so, face disappointment stoically.

Target Date For State Building Set

BOISE, March 5 (AP)—A target date of Dec. 15 was listed today for completion of a two-story addition to the Idaho state industrial building in downtown Boise.

Construction of that addition plus the renting of two floors in the new 13-story Bank of Idaho building will provide space for agencies now housed on the third and fourth floors of the Capitol.

Clearing of the two statehouse floors was asked by the 1963 legislature, which appropriated \$350,000 for rentals and for planning the remodeling of the two legislative floors and for acquisition of a site for a new state office building.

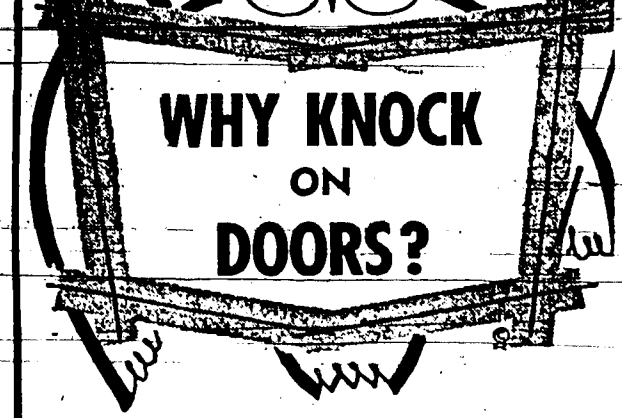

The legislature also authorized the two-story addition to the industrial building, now two stories. The cost will be repaid by rentals provided by the federal government for employment security agency functions.

Don I. Walker, state budget director, said the first agency to move into the Bank of Idaho building will be the state health department. It is being assigned the entire fourth floor.

Moving is expected to begin shortly after April 1.

FOREST FIRES REPORTED

WASHINGTON, March 5 (AP)—The U.S. forest service reported today that nearly 1,300,000 forest fires have occurred in the United States during the past decade. They burned an average of 7,300,000 acres of woodland each year.
